Our Mission

**"To follow Jesus by sharing God's
unconditional love as
the Spirit empowers us."**

Our Vision

We will follow Jesus...

- By being a local Christian church within the United Church of Canada; a community anchor for spiritual exploration and growth where life, worship, knowledge, service and song all contribute to our larger story.
- By welcoming and involving people of diverse faith, ethnicities, abilities, ages and stages of life, economic situations, sexual orientation and gender identities.
- By caring for all members with compassion, empathy and joy.
- By acts of service, reaching out to engage and support our community, the country and the world.
- By building bridges within our community, as a congregation recognizing the variety of religions and spiritualities in the most diverse city in the world.
- By using our facilities for religious, social, cultural, educational, or other programs that reflect our values.

We are an **AFFIRMING** Congregation

Peace Sunday

The **United Church
of Canada** celebrates **Peace
Sunday** on the fourth Sunday of
October to reflect on Christian
commitments to non-violence,
human rights, and global healing.

Prayers for Peace

Jesus, son of a carpenter,
you have left us the tools
to be builders of peace
in our communities.
Tools that craft peace
built on love and justice.
Tools that shape communities
built on human rights
and respect.
Tools that build understanding
and compassion for others.
Tools that create a world
that delights in laughter and joy.
We are inspired by your example
to use our creativity, our ingenuity,
our love of beauty
in the great work of building
communities of love and hope.
Your tools, worn smooth by love,
await us.
Guide us to embrace them
in our hands
as we continue your ministry
of building peace in our world
Amen. Jennifer Watts

Musings

"It is a strange and wonderful fact to be here, walking around in a body, to have a whole world within you and a world at your fingertips outside you. It is an immense privilege, and it is incredible that humans manage to forget the miracle of being here. Rilke said, *'Being here is so much,'* and it is uncanny how social reality can deaden and numb us so that the mystical wonder of our lives goes totally unnoticed. We are here. We are wildly and dangerously free."

John O'Donohue

Deuteronomy chapter 34: verses 1 ~ 12

Matthew chapter 22: verses 34 ~ 46

"Love, Right Here"

Jesus was once asked which commandment mattered most. His answer was simple: *"love God with all your heart, and love your neighbour as yourself."*

These were familiar words to the people listening, but by bringing them together, Jesus reminded them that our love for God and our love for one another cannot be separated.

And what does that look like in everyday life? Perhaps it begins with making room for one another, listening with kindness, and remembering that everyone has a story worth knowing. We don't have to agree on everything to treat one another with care and understanding.

Love isn't always found in grand gestures. More often, it's found in the ordinary moments - a warm welcome, a thoughtful conversation, a friendship that carries us through difficult times.

But who really is our neighbour? Is it simply the person living next door, or might it be someone whose life is very different from our own? And as our lives change over the years, might we discover that love has even more to teach us?

2026 Annual THANKSGIVING FOOD DRIVE

at

The Donway Covenant United Church in support of The Community Share Food Bank

The **Outreach Committee** is once again asking for your financial support this Thanksgiving for our local foodbank, **The Community Share Food Bank**.

It is true that every year I say the same thing: *"food bank usage has increased, more families are struggling with food insecurity, the cost of groceries has increased, our support is needed more than ever. 1 in 10 people in our city use a food bank, and many of those are children!"* This is our present reality.

The **Donway Covenant United Church** joins with other churches and community organizations to support **The Community Share Food Bank** which relies heavily on community financial support. Please donate this Thanksgiving, anytime in October through the church office. A monthly donation through your envelope giving is also appreciated.

Please make your cheque out to **The Donway Covenant United Church**, and mark it **FOOD BANK**.

Jesus taught that we must care for our neighbours, and the **Food Bank** lives this mission.

Thank you for your generous support!!

Autumn Fires

by Robert Louis Stevenson

In the other gardens
And all up the vale,
From the autumn bonfires
See the smoke trail!
Pleasant summer over
And all the summer flowers,
The red fire blazes,
The grey smoke towers.
Sing a song of seasons!
Something bright in all!
Flowers in the summer,
Fires in the fall!

A great Christmas concert is a signal that the Christmas season has begun.

I'd personally like to invite you to the **Festival of Carols** with the **Toronto Mendelssohn Choir**. This event is so popular that we added an additional performance two years ago, and if last year's audience was anything to go by, we will sell out all three again this year.

With holiday favourites such as **Silent Night** and **O Come All Ye Faithful**, to the cheery **Jingle Bells**, to new favourites such as **Stick With Love**, and many many more, our audiences leave with smiles on their faces and peace in their hearts. We singers, too, enjoy giving you such a delicious musical taste of the holiday season.

Don't miss it!

Minutes for Mission

CAMPUS CONNECTIONS

Campus Ministry at Algonquin College provides pastoral care, spiritual support, and practical assistance to students and staff navigating uncertainty.

For many young adults, post-secondary education extends beyond studying and getting through exams. It's a pivotal time when they'll figure out who they are, what they believe, and what they hope their future will look like.

Campus Ministry at Algonquin College in Ottawa, provides a place for students and staff to explore those questions and find support along the way.

Campus Ministry is an ecumenical chaplaincy serving approximately 20,000 students and staff. Since 1993, it has offered pastoral care, spiritual counselling, workshops, and opportunities to explore faith in a safe and non-judgmental environment.

Our **Mission and Service** gifts help make this ministry possible.

Since 2006, our gifts through **Mission and Service** have helped support a part-time campus minister. Yuriy Derkach has served in the role since 2011, providing pastoral care and spiritual counselling throughout the year.

Campus Ministry has responded to some significant needs in the Algonquin community. Following Russia's invasion of Ukraine in 2022, the ministry provided support to international students from Ukraine, Russia, and Belarus, as well as Ukrainians arriving in Ottawa on temporary visas. This included connecting people with language courses and helping them find support with housing, employment, and education.

The ministry also offers practical care during particularly stressful times. At the end of each fall and winter semester, **"Pause Break"** tables are set up in the Student Commons. In partnership with local congregations, including United Churches, **Campus Ministry** provides free refreshments and encouragement to students during final assessment week.

That presence is especially important now. Like many post-secondary institutions, **Algonquin College** has faced program and staffing cuts in response to declining international enrolment. Students are concerned about losing program options, while staff face uncertainty about their jobs. As overall anxiety increases, more members of the college community are seeking support from **Campus Ministry**.

The impact of this ministry also continues long after students leave campus. A former student recently wrote to express gratitude for the prayers and encouragement they received from **Campus Ministry** years ago, sharing that the support helped them find their vocation, their life partner, and a church community where they continue to grow in faith.

Our gifts to **Mission and Service** help make this ministry possible. They allow us to be present in the lives of young adults as they navigate questions of faith, relationships, education, work, and their future.

Peace Train Cat Stevens

Now I've been happy lately
Thinking about the good things to come
And I believe it could be
Something good has begun
Oh, I've been smiling lately
Dreaming about the world as one
And I believe it could be
Someday it's going to come

'Cause out on the edge of darkness
There rides the peace train
Oh, peace train take this country
Come take me home again

Now I've been smiling lately
Thinkin' about the good things to come
And I believe it could be
Something good has begun

Oh, peace train sounding louder
Glide on the peace train
Ooh-ah, ee-ah, ooh-ah
Come on now, peace train
Yes, peace train holy roller
Everyone jump upon the peace train
Ooh-ah, ee-ah, ooh-ah
Come on now, peace train

Get your bags together
Go bring your good friends too
Because it's getting nearer
It soon will be with you
Now come and join the living
It's not so far from you
And it's getting nearer
Soon it will all be true

Oh, peace train sounding louder
Glide on the peace train
Ooh-ah, ee-ah, ooh-ah
Come on now peace train
Peace train

Now I've been crying lately
Thinkin' about the world as it is
Why must we go on hating?
Why can't we live in bliss?

'Cause out on the edge of darkness
There rides a peace train
Oh, peace train take this country
Come take me home again

Oh, peace train sounding louder
Glide on the peace train
Ooh-ah, ee-ah, ooh-ah
Come on now, peace train
Yes, peace train holy roller
Everyone jump upon the peace train
Ooh-ah, ee-ah, ooh-ah
Come on, come on, come on
Yes, come on, peace train
Yes, it's the peace train

Oh Boy!!!!

It's That Time of Year Again!!

When the days get cooler....when the sun sets before 7:00 pm....when the farmer's markets are loaded with squash and root vegetables....that's when we enter the specialtime of year. The time for hearty soups and stews!

I don't know about you, but my mouth waters just thinking about them.

They really aren't hard to make, and they fill the whole home with such amazing aromas!

Way back in May of 2021 we produced a special edition of soups and salads. It contained 30 special recipes submitted by you, the readers! And in November 0f 2022 we produced the stew special edition - 14 mouth watering recipes again submitted by our readers.

Happy cooking!

The Don Mills Trail

Residents of Don Mills are blessed with being criss-crossed with parkland and the Don Mills Trail (also known as the Leaside Spur Trail) system. It should come as no surprise that the residents are the same as those around the world who live in close proximity to wonder.....a group are aware of the Trails, use them often and love them.....a group are aware of the Trails, plan to use them but never get around to it....and a group who live next to the Trails and don't know anything about them!

If you belong to the second or third group I urge you to start taking advantage.....starting by learning the history.

The Trail uses the 100-foot-wide (30 m) roadbed of the Leaside Spur, a former railway line operated by the CNR. CNR abandoned the line in 1999. The City purchased the land in 2001, held consultations on the design of the trail, and completed the trail by 2011.

There are ornamental circles in the pavement where the trail intersects a street or a cross-trail, including circles at Talwood Park, Lawrence Avenue East (north and south side) and Overland Drive. Some of the circles contain two embedded parallel rails as a reminder of the trail's railway legacy.
