FROM THE PRESIDENT

Ewan Horsburgh - President

Ewan Horsburgh has been the AURA president since 28 April, 2020 where he was successfully voted in by the members.

Ewan has represented Australia countless times in long distance events across the globe and led the Aussies as their Team Captain in the 2019 24hr World Championships in Albi, France.

AURA had another solid year supporting our local members, Australian races and also selecting and sending Australian teams to compete internationally.

One of the highlights was the return of international competition with successful teams at the 100km World Championships in Berlin and the 24 Hour Asia and Oceania Championships in Bengaluru.

We were pleased to be able to announce the events successful in hosting AURA Championships in 2023.

The Australian Championships for 2023 are as follows.

- 24hr – Coburg 25 Hour Carnival, Vic on 15 April 2023
- 48hr – Sri Chinmoy 48 Hour Track Festival, ACT on 24 March 2023
- Short Trail – kunanyi Mountain Run (67km), Tas on 25 March 2023
- 100 Mile – BVRT100s, Qld on 17 June 2023
- Long Trail – Sri Chinmoy Canberra Trail 100 (100km), ACT on 10 September 2023
- 50km & 100km – TBC, details being finalised

At last year's AGM, **Martin Fryer** was inducted into the **AURA Hall of Fame**. Martin is an Australian ultra living legend, setting numerous distance records throughout his domestic and international career. He has represented Australia in 24hr championships numerous times, dating all the way back to 2006. He's well known to the community through his racing, coaching, and his longtime association and work with AURA.

A massive thanks from myself and the Committee - Matty Eckford, Simone Hayes and Stephen Redfern - for all the 2022 volunteers who have helped keep AURA moving forward and in a good position to keep supporting the ultra running community. Alexis Oosterhoff has been managing the website and results, Tia Jones looking after records, John Yoon looking after member requests, Dan Symonds on merchandise, and all our team selectors and state representatives.

To my fellow Committee members, it's great to have such a positive and strong team to work alongside. Thanks for all your hard work and support of the members, community and myself.

Here's to a great year of running and racing ultras.

Ewan Horsburgh - President

THANK YOU TO THE VOLUNTEERS

Without the help and dedication from AURA members putting their hands up and volunteering, the association would not be able to run and showcase Australian ultra running to the broader community.

We rely on the support from our members to run efficiently and effectively, from delivering high quality and top class events, to taking athletes to national and international championships.

There's no doubt ultra running has grown across the globe, with new formats in racing quickly developing, podcasts popping up everywhere, more events being created, and most importantly - more people getting into the sport after seeing the elation, the triumphs, the joy and the camaraderie shown between runners.

How is it all possible? Through all of you, the volunteers.

We are incredibly grateful not only for your ongoing membership and being a significant part of the association, but for putting your hand up and devoting your time to volunteering with us.

Below is a list of all AURA volunteers representative of May/June 2021 to May/June 2022. Thank you for everything, and we hope to not only see you continue volunteering, but to see some new faces join in with their support.
