ANNUAL REPORT – 2016

Dear Members,

Your committee is pleased to report on the activities of your association for the financial year ended 31 December 2016.

OVERVIEW OF 2016

2016 was a year notable for both achievement and change for the Australian Ultra Runners' Association (AURA).

There were 62 events listed on AURA's calendar of events, with thousands of runners participating in ultra running events on track, road and trail across the country. The Association comprised 399 members in December 2016, approximately a 10% decrease on 2015. However the new membership system has already seen significant growth to this number in early 2017.

The performance of our national team representatives in international competition was outstanding, with athletes achieving world class results at the World 100km, World Trail and Asian 24 Hour Championships, the highlight being Kirstin Bull's win in the women's 100km world championships, which was an amazing achievement for Kirstin and Australia.

These performances cement Australia's position as one of the world's strongest ultra running nations, and we thank our athletes, team managers and crew members for their individual contributions.

At an organisational level, a new constitution was developed by AURA and late in the year arrangements were made for a Special General Meeting to be held early in 2017 so the new constitution could be adopted. This occurred on 16 January 2017.

A new membership system was developed and implemented in early December 2016. The new system provides easier access for both new and existing members to join and renew their memberships. The system provides further functionality which will provide "member only" benefits which will start to be rolled out in 2017.

The Association is well positioned to further grow our amazing ultra running sport in 2017 and beyond. We thank you, our members, for your participation and ongoing support.

Your committee is pleased to provide the following annual report for 2016.

INTERNATIONAL COMPETITION

2016 IAU 100 KM WORLD CHAMPIONSHIPS

The IAU 100 km world championships were held Los Alcareres Spain, a sea side resort town on the Mediterranean.

A flat road course in the middle of the town worked perfectly and the weather on the day was cool with a few light showers. The start and finish was right in front of the team hotel, which was great for crewing and a relief for tired athletes at the finish. Australia produced its first ultra running world champion, Kirstin Bull, with a courageous, hard fought win.

Kirstin dominated most of the race and kept challengers at bay towards the end of the race and achieved a personal best time. Marita Eisler and Tia Jones also put in solid performances.

Brendan Davies added another great run at the world championships with a personal best. Barry Keem, Dion Finocchiaro, Gary Mullins and Andy Heyden also all worked hard to get good results.

The team result was one of AURA's best. We have an improving squad of athletes. Watch out world!

2016 IAU WORLD TRAIL CHAMPIONSHIPS

The 2016 IAU Trail World championship was held in Peneda-ceres National Park in Portugal on 29 October 2016. It was a partnership event of the IAU, ITRA and the local organizing committee Carlos Sa.

A challenging 85km course with 5000m of vertical gain on a very technical course was presented to the athletes. Our two captains, Kellie Emerson and Brendan Davies were joined by four new members: John O'Loughlin, Vlad Ixel, Amy Lamprecht and Maggie Jones.

A very early start, higher than expected temperatures and many climbs on the tough course took their toll on runners with injury and fatigue making it a hard day at the office. With the true Aussie spirit we have grown to expect from our trail teams, all made the finish line again this year. Vlad in 25th place and Kellie in 30th led the Australian teams home on what was a very demanding course.

Women: Team Position 11th

30 Kellie Emerson 11:48:28

66 Amy Lamprecht 13:25:19

Men: Team Position 19th

2016 IAU ASIAN 24 HOUR CHAMPIONSHIPS

Australia sent a strong team to the first ever IAU Asian 24 hour Championships held in Kaohsiung City, Taiwan on 19/20 November 2016. The course was a flat looped road course around one of the city's main stadiums.

The weather for the event was not ideal with high humidity and temperatures in the low thirties, leading all athletes rethink their race plans. In such trying conditions the team produced its greatest tally of medals in an IAU championships.

Barry Loveday and John Pearson, first and third, ran perfect races in the conditions.

Nikki Eadie, Nicole Barker and Sharon Scholz, taking first, second and third also ran very smart races.

Two team gold medals was the Australian team's reward. Our 24 Hour teams have been the power house of our ultra teams in recent years and it was great to see them get the rewards that they deserve.

AURA AWARDS 2016

The AURA Awards for 2016 were presented as follows:

AUSTRALIAN FEMALE ULTRA RUNNER OF THE YEAR: KIRSTIN BULL

The award committee felt Kirstin's run at the 2016 World 100km Championships when she won the event in an Australian record time of 7:34:25 and was declared "World Champion" made her absolutely deserving of our Association's preeminent award for female runners for 2016.

AUSTRALIAN MALE ULTRA RUNNER OF THE YEAR: BRENDAN DAVIES

The award committee felt Brendan's run at the 2016 World 100km Championships was absolutely world class, when he achieved tenth position in a time of 6:44:20. This performance, combined with his other performances when representing Australia and in other AURA events, made him a worthy winner.

HELEN STANGER AWARD: NIKKI EADIE

This award is presented annually for the greatest single best ultra running achievement by a female under the age of 60. The award committee felt Nikki's run at the 2016 48 Hour Event in Canberra was outstanding, when she won the event with a distance of 343km, a best ever performance by an Australian female runner over 48 hours, and the best distance in the world achieved last year.

BRYAN SMITH AWARD: MICK THWAITES

This award is presented annually for the greatest single best ultra running achievement by a male under the age of 60. The award committee felt Mick's run at the 2016 48 Hour Event in Canberra was absolutely world leading, when he won the event with a distance of 413km, the third best ever performance by an Australian runner over 48 hours, and the best distance in the world achieved by any runner for a number of years.

YOUNG FEMALE ULTRA RUNNER OF THE YEAR: LUCY BARTHOLOMEW

YOUNG MALE ULTRA RUNNER OF THE YEAR: JOEL CLAXTON

CLIFF YOUNG AWARD: BARRY MCBRIDE

This award is presented annually for the greatest single best ultra running achievement by a male over the age of 60. The award committee felt Barry's run at the 2016 Adelaide 24 Hour Race was superb, when he won the event with a distance of 206km.

SHIRLEY YOUNG AWARD: NO AWARD PRESENTED IN 2016

This award is presented annually for the greatest single best ultra running achievement by a female over the age of 60.

AURA ULTRA PERFORMANCE OF THE YEAR

The inaugural winner of the AURA ULTRA PERFORMANCE OF THE YEAR AWARD voted by AURA members was Kirstin Bull for her win in the Women's 100km at the 2016 World Championships. Kirstin's World Championships performance finished with 259 points, Mick Thwaites finished second with 200 points for his 413km run at the Canberra 48 Hour, Mick also finished third with 171 for his third position at Badwater 2016.

AUSTRALIAN RECORDS

It has been another exceptional year with some outstanding ultra running performances both at home and internationally. We have many up and coming athletes and many who aspire to represent Australia after some solid performances by our teams at the World Championships event this year. It was the first year that the Asian/Oceania Championships were held with the 24-hour in Kaohsiung, Taiwan

The rankings are a good guide for those who are seeking selection noting that the competition for selection in some events is quite fierce. A current list of rankings can be found on the AURA website.

Three significant open records were achieved in 2016.

- Men's Time Record (6 Hours) – 85.265km by Francesco Ciancio at Coburg on the 6th March.
- Women's Time Record (48 hours) – 343.044km by Nikki Wynd at the Australian Institute of Sport in Canberra at the National 48 Hour Championships. Nikki improved the Australian Record by 10km.
- Women's Distance Record (100km) - 7 hours 34 minutes 25 seconds, Kirstin Bull at Los Alcazares, Spain on the 27th November. Kirstin was also World Champion at the 100km World Championships.

A number of age records were achieved throughout the year and it was great to see younger athletes with potential coming up through the ranks. In the Under 25s Elkie Belcher achieved an Australian Best running the Gold Coast 50km in 3:35:47. At the same event it was equally great to see one of the more mature athletes, John Shaw, achieve an Australian M60 50km record with 3:40:44.

Another notable performance in 2016 was achieved by Tia Jones at the Adelaide 24 hour on the 9th July 2016. Tia went to Adelaide with the intention of achieving a 100km Australian team qualifier and managed this easily, passing through 100km in 8 hours 33 minutes 19 seconds, and in the process achieved two Australian Age Records for 50 miles and 100km. Also in Adelaide, veteran Max Carson, achieved an Australian M65 record for 6 hours running 55.637km.

Soochow University in Taipei, Taiwan was the venue for a swag of Australian Age Records for the 2nd year in a row. This year Martin Fryer, having recently moved into a new age category, bettered the Australian M55 records for 12 hours, 100 miles, 200km and 24 hours. Remarkably two of the records that Martin achieved in Taiwan have stood for 30 years. (Gerry Riley held the 200km and 24 hour M55 record for 30 years.)

A complete list of Australian Records and Australian Age Records set during 2016 can be found on page 14.
