ANNUAL REPORT - 2013

Dear Members,

Your committee is pleased to report on the activities of your association for the financial year ended 31 December 2013.

OVERVIEW AND FUTURE DIRECTION

The purpose of your association is to promote the sport of ultra running. Your committee and state representatives are actively attending and participating in events. We are working very hard with race directors and runners to meet the challenges, as ultra running fast becomes a mainstream sport in Australia.

AURA increased its sanctioned races to 92 in 2013 over 53 events and already has 6 new events being sanctioned for 2014. We would like to thank all race directors and volunteers for their commitment to ultra running. The numbers contesting our various races continue to be at record levels, with trail races still leading the way.

We are one of over 75 federations in the IAU now and have again been successful on the international stage, competing in both Major IAU Championship (MIAUC) events held last year: the 10th IAU World 24Hr Championships in Steenbergen, the Netherlands and the 4th IAU Trail World Championships in the Gwydyr Forest, Llanrwst, North Wales.

Your committee and position volunteers have worked hard this year, continually striving to improve AURA. This year's projects included the development and documentation of several policies and more rewards for members.

OVERVIEW AND FUTURE DIRECTION, continued

We are pleased to include additional analyses in this report, providing information on our membership, races, and a comparison of results at the international level. This information is useful for planning and management and for general interest. Thanks to AURA member Karen Chan for work on the statistics within this report. Your committee is pleased to report the following:

- Current members totaled 483 (including family members) on 31 December 2013 with 73% being male and 27% female. (See Section 1)
- The number of AURA sanctioned ultra-distance races increased 14% from 2012 to 2013, from 78 races to 92 races. (See Section 2)
- New race records are being set in almost every event on the calendar. In Section 3, the performances of Australians were compared to international results for all distances and times.
- The athletes selected to represent your country and AURA at international championship events have competed with distinction. Detailed results appear in Section 4 in this report.
- National championship results and AURA awards and prizes are listed in Sections 5 and 6.

1. Membership at a Glance

There were 451 unique active memberships as at 1 April 2014. 73% were male and 27% were female (Figure 1). Thirty-three of those members were in a family membership (7%).

Figure 1. Number of Unique Memberships by Gender as at 1 April 2014

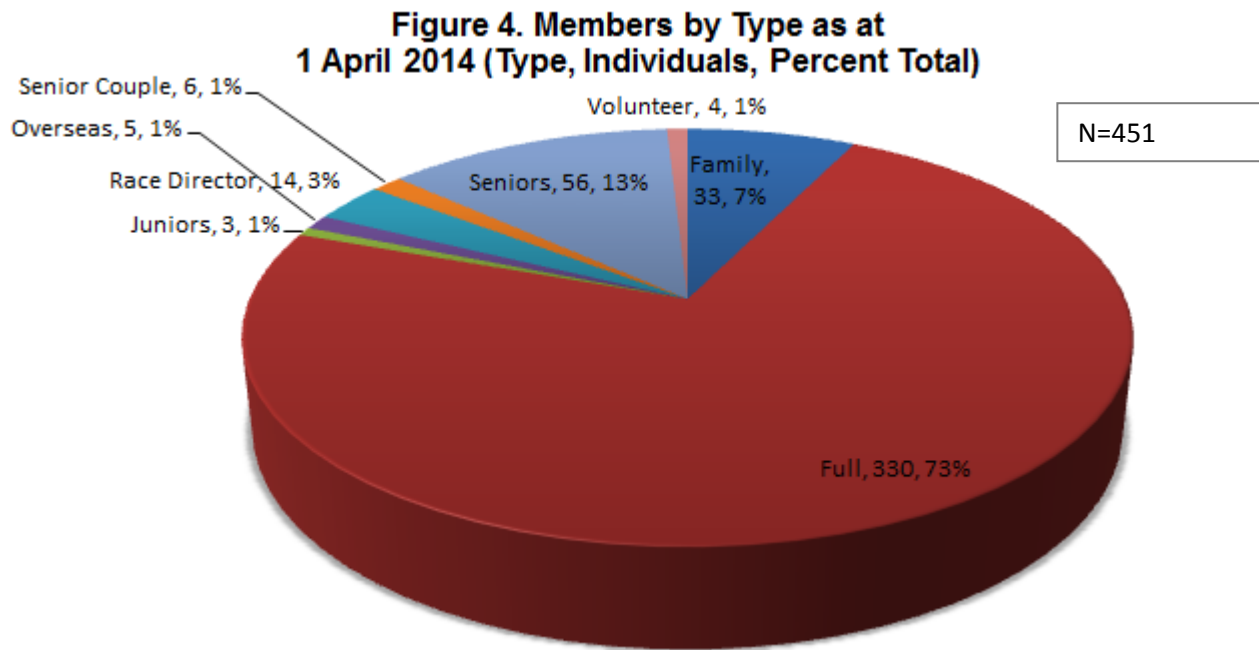

The majority of members (33%) were in the 40-49 year age group (Figure 2). The median age for males was 50 and for females was 43.

Ninety-eight percent of members lived in Australia. Those who live in Australia mainly reside in Victoria (34%), NSW (23%) and QLD (18%) (Figure 3).

The predominant membership type was Full (73%), followed by Senior/Senior Couple (14%) and Family (7%) (Figure 4).

The majority of members were with 1 year membership (32%) followed by those with 2 - 3 years of membership (27%) and 4-5 years of membership (15%) (Figure 5).

Figure 5. Members by Years of Membership as at 1 April 2014 (Years, Individuals, Percent Total)

2. Number of Races and Finishers in 2013

The number of races sanctioned by AURA has steadily increased. There were 12 new races in 2013 (Table 1).

Including the various distances on offer within events, there was a 31% increase in sanctioned races (from 70 to 92), including solo and team events between 2011 and 2013 (Figure 6). Note that in 2013, Bogong to Hotham was cancelled due to severe weather/fire risk.

Figure 6. Total number of AURA sanctioned races (solo & team) by Year, 2011 - 2013*

The number of finishers has also increased markedly since 2000. The number of finishers has almost doubled between 2011 and 2013 (Figure 7).

Figure 7. Total finishers by gender and year, 2000-2013

(Finisher source: <http://statistik.d-u-v.org/getcharts.php?country=AUS&Submit.x=16&Submit.y=13>)

The following figures summarise the number of races and finishers (solo event) by type (trail, road, and track), length (distance and duration), state, and season.

2.1 By Type and Distance

The majority of the increase in sanctioned races from 2011 to 2013 came from trail events (50%) and road events (13%). There was a reduction in track events by 18% (Figure 8).

Figure 8. Total number of AURA sanctioned races (solo event) by Type and Year,

The following Figures 8a - h show the number of finishers by gender and event type (distance/time) from 2000 to 2013.

Figure 8h. Total finishers in 48 hrs by gender and year, 2000-2013

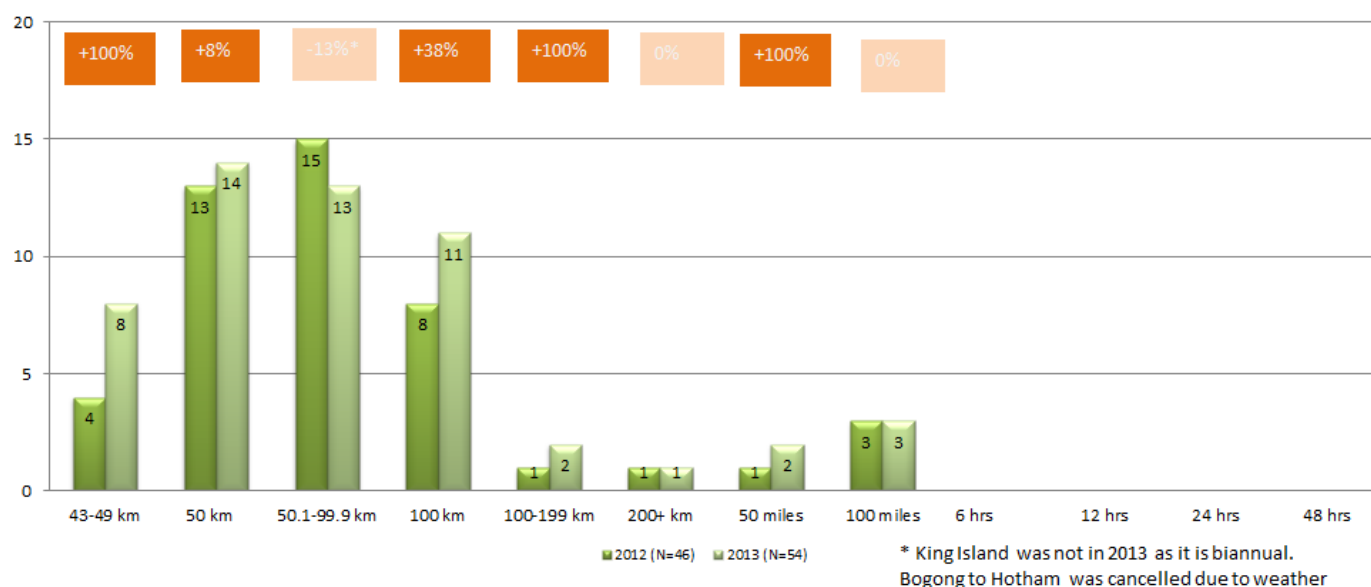

Both male and female runners increased their average number of performances per year. The gap between the genders has narrowed since 2008 (Figure 8i).

Figure 8i. Runners by performance by gender and year, 2000-2013

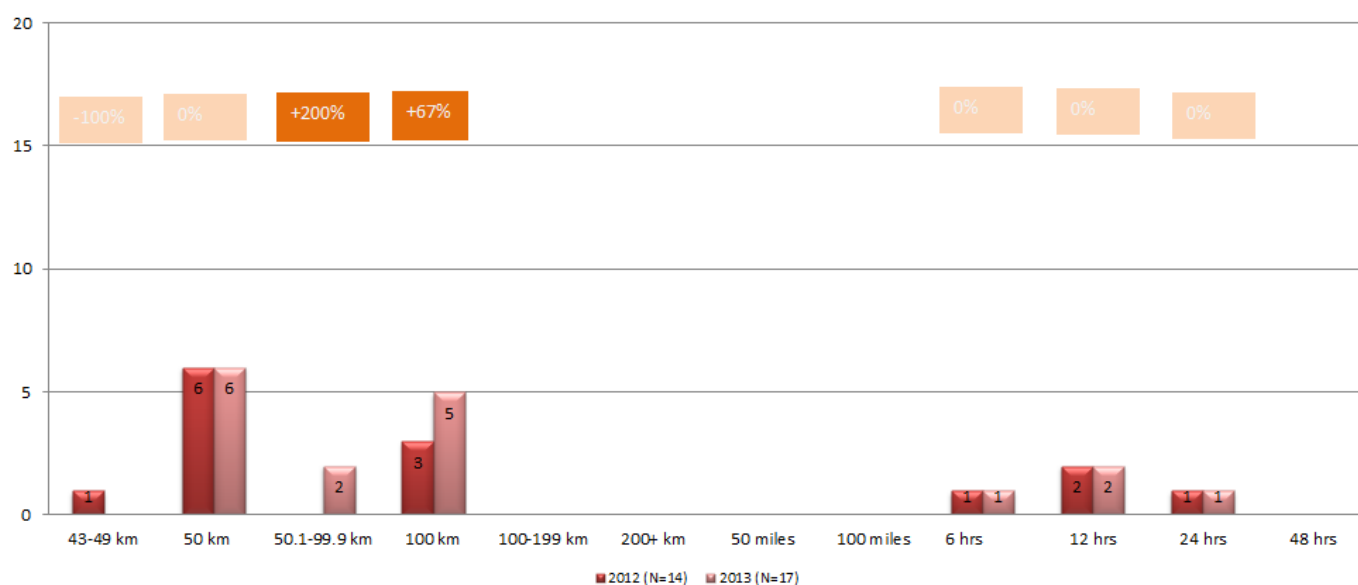

In trail races, there was growth in most events (Figure 9).

Figure 9. Total number of AURA sanctioned **TRAIL solo races by Length and Year, 2012-2013**

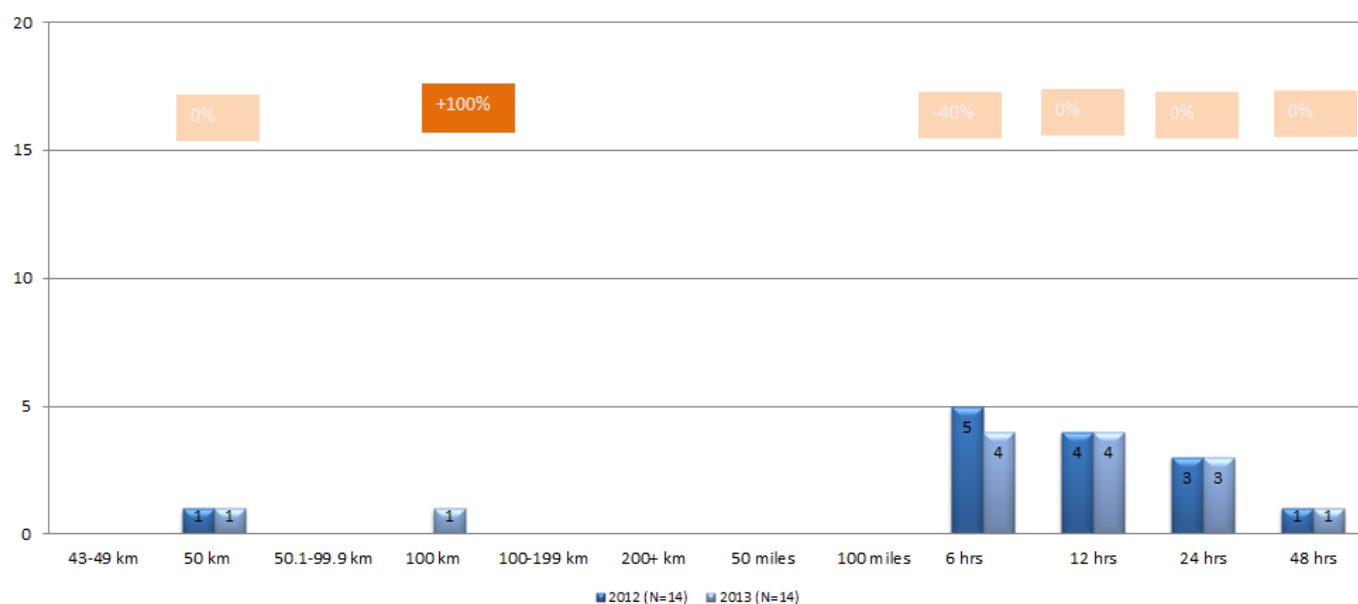

There was an increase in 50-100km from 2012 to 2013 (Figure 10).

Figure 10. Total number of AURA sanctioned **ROAD solo races by Length and Year, 2012-2013**

In track races, there was no change in most events (Figure 11).

Figure 11. Total number of AURA sanctioned TRACK solo races by Length and Year, 2012-2013

2.2 By States

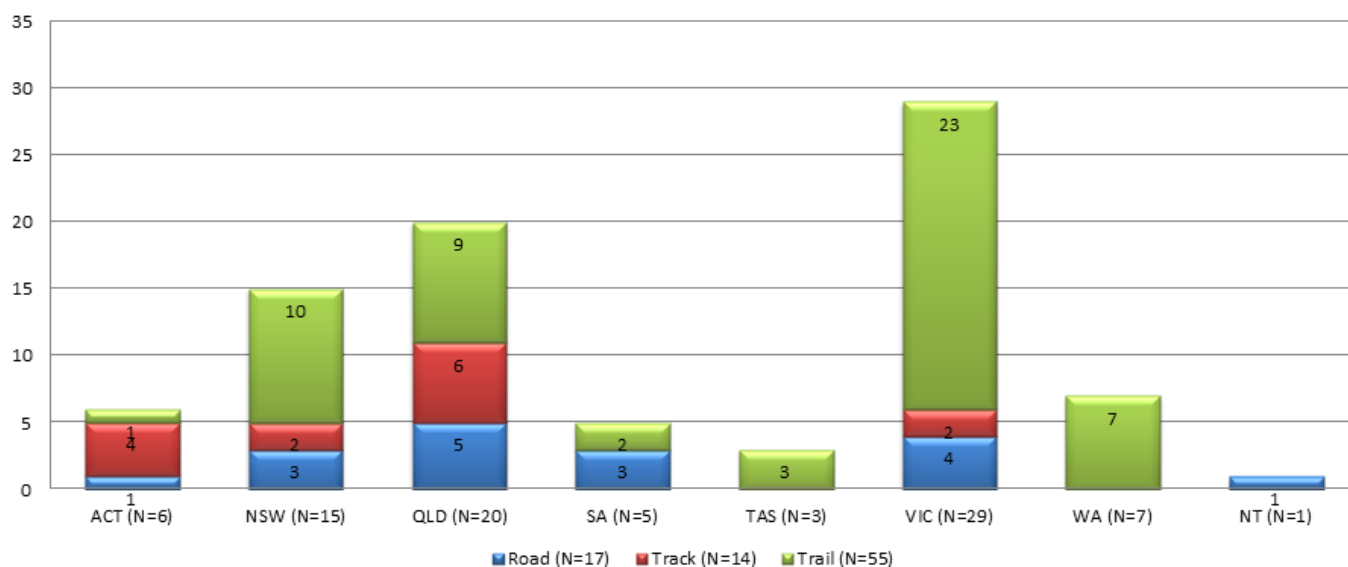

From 2011 through 2013, there was an increase in events in all states/territories except QLD and TAS. The greatest increases were in ACT (500%), NT (100%) and WA (40%) (Figure 12).

Figure 12. Total number of AURA sanctioned solo races by States and Territories, 2011-2013

In 2013, over 50% of the races in NSW, TAS, VIC and WA were trail (Figure 13).

Figure 13. Total number of AURA sanctioned solo races by States/ Territories and Type, 2013

2.3 By Season

Between 2011 and 2013, there was an increase in events in spring (50%), autumn (46%) and summer (17%). In 2013, the events in spring contributed 28% to the total.

Figure 14. Total number of AURA sanctioned solo races by Season and Year, 2011-2013

In 2013, there were road and trail races in all seasons. Trail races had the highest proportion in all seasons except winter (Figure 15).

4. International Competition Results

4.1 IAU 24 hr World Championships

The 10th IAU 24hr World Championships were held on 11/12 May 2013 in Steenbergen, the Netherlands. A 24 hour race had been successfully held at this venue in previous years; thus, the Local Organising Committee (LOC) was well prepared to host the World Championships.

The course was a long 2.3km loop that followed the old medieval town walls. The weather for the race was cool and looked to be perfect for big totals. The winners, USA's Jon Olsen (269.675 km) and JPN's Mami Kudo (252.205 km) demonstrated that. However, a mid-race rain and hail storm caused issues for some runners.

The Australian teams didn't let us down, with Bernadette Benson (216.343 km), Malcolm Gamble (231.852 km), and John Pearson (231.203 km) all running PB's.

Women (Team Position 9th)

Position	Name	
20/89	Bernadette Benson*	216.343 Km
35/89	Sharon Scholz	206.286 Km
51/89	Allison Lilley	193.667 Km

4.2 IAU Trail World Championships

The 4th IAU Trail World Championships were held in Llanrwst, North Wales on 6th July 2013. The race was held at the challenging Gwydyr Forest in temperatures that were to hit 27 degrees centigrade by the mid afternoon. The race distance of 77 km was accomplished by five 15km + loops. The race winners, Britain's Ricky Lightfoot and France's Nathalie Mauclair were clear winners in their races. Australia's Andrew Tuckey ran an outstanding race to finish 8th. Our women's team ran very solid throughout the whole race to finish overall in 6th place. The race organisers delivered an event that truly deserved its world title. The Australian team gained great experience and represented us proudly.

Women (Team Position: 6th)

Position	Name	Time
20/46	Georgina Moore	7.33.35
21/46	Kirstin Bull	7.33.52

6. Records/Achievements

6.1 Awards and Prizes

6.11 Female Ultra Athlete of the Year: Beth Cardelli (NSW)

Beth competed well in two major international races as well as two AURA-sanctioned events in 2013, with a first place at TNF100 and fourth place at Surf Coast Century. Beth again set a new course record at The North Face 100km (11:01:08), smashing her previous record by 17 minutes.

6.12 Male Ultra Athlete of the Year: Kevin Muller (VIC)

Kevin contested 14 races, with wins at the Coburg 6hr, Adelaide 6hr, Caboolture 48 hr, and Marysville 50 km. He ran over 1,700km in competition. His stand out performance occurred at the Caboolture 48hr national championship, where he ran 407.560 km.

6.13 Rising Star Award: Larissa Tichon (NSW)

The Rising Star award is given to the AURA member aged 25&U with the most outstanding performance(s) during the year. Larissa competed in six AURA races with two first place finishes, a second, and a third place finish. Two standout performances included 115.545km at the Stromlo 12hr and 192.935km at Sri Chinmoy 24hr, both of which were age group records.

6.14 Bryan Smith Award: Barry Loveday (VIC)

This award is given to the AURA member who ran the furthest distance in 24hr. In 2013, Barry finished Coburg with 243.777km.

6.15 Cliff Young Gumboot Award: Colin Brooks (SA)

The Cliff Young Gumboot award goes to the AURA member aged 60+ who covered the furthest distance in 24hr. Colin Brooks ran 151.247km at the Adelaide 24hr.

6.2 AURA Points Competition: Kevin Muller (VIC)

This competition is based on a complex formula with points being awarded for wins and placings, bonuses where the races are AURA championships, bonuses for world class performances and Australian & world records and points per km for distances run.

In 2013, Kevin Muller again won the competition, obtaining 99 points, followed by Sharon Scholz and Robert Sutton. Kevin contested 14 races, with wins at the Coburg 6hr, Adelaide 6hr, Caboolture 48hr, and Marysville 50 km. He ran over 1,700km in competition.

7. Operations

7.1 UltraMag

After nearly three years working with UltraMag, Karen Hagan stepped down from the position with the December 2013 edition. She has been helping the new UltraMag Coordinator, Larissa Tichon, find her feet and get her head around the processes involved in producing our member magazine. And a process it is, especially as it continues to grow. Larissa will always need people to step up and ably assist her, and it's a great way to get an insight into our sport of ultra running. With any volunteer organization, many hands make light work.

Karen wishes to thank all those who assisted her in recent times, including Nicholas Bignell, John Oldfield, Larissa Tichon, Joe Lewis, and Jon Lim.

7.2 Website

AURA's website at www.aura.asn.au was launched in 2007. Since the 2013 AGM, it has been maintained by Justin Scholz. The website includes information on AURA sanctioned races, Australian records, points competition standings, much history on Australian ultra running, and AURA's annual reports. There is a lot of information to keep up to date and Justin relies on the assistance of race directors and others to provide information for keeping things current.

7.2 Website, continued

David Billett continued to fulfill a large volunteer role throughout 2013 in maintaining AURA's points competition standings and updating Australian records and rankings. There is continued work to be done, as resources allow.

7.3 Running Apparel

As a benefit of a new membership, members were provided with a running singlet printed with the AURA logo or another item of apparel from our growing assortment of stock.

Stephen English continued to managed the running apparel. Stephen and his apparel sub-committee of volunteers helped to design and secure the purchase of new running t-shirts, a headwear/neck gaiter piece, and new caps.

We encourage all members to wear AURA badged garments in their races and training, in order to promote our existence to the public and help us identify and support our members.

7.4 Memberships

At the end of 2013, AURA had nearly 500 current financial members. The online membership database continued to improve in functionality over the course of the year, managed from the technological side by AURA member Rolf Schatzmann. Michael Bedward ably continued on in 2013 as our coordinator.

AUSTRALIAN ULTRA RUNNERS ASSOCIATION INC

Independent Auditor's Report

We have audited the accompanying financial report, being a special purpose financial report, of AUSTRALIAN ULTRA RUNNERS ASSOCIATION INC (the company), which comprises the Director's Declaration, the Statement of Profit or Loss and Other Comprehensive Income, the Statement of Financial Position, Statement of Cash Flows, Statement of Changes In Equity, notes comprising a summary of significant accounting policies and other explanatory notes for the year ended 31 December 2013.

Director's Responsibility for the Financial Report

The director of the company is responsible for the preparation of the financial report and has determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Corporations Act 2001 and is appropriate to meet the needs of the members. The director's responsibilities also includes such internal control as the director determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the director, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been provided to the director of AUSTRALIAN ULTRA RUNNERS ASSOCIATION INC on 31 December 2013, would be in the same terms if provided to the director as at the date of this auditor's report.

AUSTRALIAN ULTRA RUNNERS ASSOCIATION INC

Independent Auditor's Report

Auditor's Opinion

In our opinion the financial report of AUSTRALIAN ULTRA RUNNERS ASSOCIATION INC is in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the company's financial position as at 31 December 2013 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1 and the Corporations Regulations 2001.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the director's financial reporting responsibilities under the Corporations Act 2001. As a result, the financial report may not be suitable for another purpose.
