DENTAL SAVINGS PLAN

OUR MISSION

At Dr. Todd S. Brasuell Pediatric Dentistry, our mission is to treat each child as if they are our own, to deliver the highest quality dental care, to introduce dentistry to children in a fun and entertaining environment, and to emphasize pediatric dentistry at a young age that will last a lifetime!

We believe everyone should have access to this and that consistent dental visits not only provide your child optimal oral care but are the best way to keep dental treatment costs down. This is why we designed our Dental Savings Plan. It is also a good alternative for children that do not have dental insurance or that have recently lost their dental coverage.

Our Dental Savings Plan is designed to provide greater access to affordable and quality dental care at reduced rates.

WHY OUR PATIENTS LOVE US!

"Fabulous Pediatric Dentist & we LOVE everyone! Everyone has been so attentive to my daughter's needs and eased her fears."

"Dr. Brasuell is so kind and patient, but also quick and thorough. He also has more of an understanding of kids with disabilities than any other dentist that we've been to. My daughter has Cerebral Palsy and Epilepsy, but Dr. Brasuell is very calm, patient, and soothing, which helps her relax."

"My daughter loves Dr. Mesa and his wonderful assistants. She is two and enjoys the paintings and stuffed animals around and not to mention the little toys. The staff is efficient, knowledgeable, and understands how to work with children. There is nowhere else that I'd rather take my child than Todd S. Brasuell DDS Pediatric Dentistry."
