Music today will feature the works of John Williams, Kevin Puts and John Adams. You will enjoy magnificent musical compositions by John Williams as excerpts from *Close Encounters of the Third Kind*, *E.T. the Extra Terrestrial*, and selections from *Star Wars* Suite. You will also hear *A Short Ride in a Fast Machine* by John Adams. It is the music of three of America's most respected contemporary composers as they come together for a thrilling ride to the far corners of the galaxy. The orchestra blasts into space with driving fanfare, exploring the great beyond with the above-
