

Technical drawing of a rectangular plate with dimensions and forces. The plate is defined by a large rectangle. Dimensions are indicated by arrows and labels:

- Vertical dimensions on the left:
 - Top section: $100''$
 - Bottom section: $100''$
- Horizontal dimensions at the bottom:
 - Left section: $100''$
 - Right section: $100''$

Forces and moments are indicated by arrows and circles:

- A downward arrow is located at the top center of the plate.
- A circle is located at the top center of the plate, with a horizontal line extending to the right.
- A downward arrow is located at the bottom center of the plate.
- A circle is located at the bottom center of the plate, with a horizontal line extending to the right.
