

Proxy Account Authorized User Request

A MMC & Me Patient Portal **proxy account** is a secure way to access your child's personal health record and to communicate directly and conveniently with the doctor's office online. Parents or legal guardians, with appropriate legal documentation in health record, may be authorized to open or to use an MMC & Me proxy account. From birth through 12 years of age the portal may be used to access the health record and to message the medical office. For medicolegal reasons, between the ages of 13 and 17 years, the proxy account may be used for messaging only (Some restrictions do apply). At 18 years of age, proxy accounts are closed.
