

American Nuclear Society

Mississippi Section

Scholarship Application

This scholarship is for graduating Mississippi high-school seniors or undergraduates who have enrolled, full-time, in college courses and are pursuing science, mathematics and/or technical courses with an interest in working in nuclear science and technology.

Scholarship Check List Form

Please read carefully. There will be no exceptions extended to any student.

The complete application packet must be received by the Mississippi Section of the American Nuclear Society on or before March 15, 2026. The complete application packet contains the completed scholarship application, grade transcript, and two sealed letters of recommendation. Mail the documents together to the Mississippi Section of the American Nuclear Society.

The applicant (student) is responsible for collecting all necessary forms and information for the application packet. The applicant will not be contacted for missing information. An incomplete application is ineligible for consideration by the Scholarship Selection Committee.

The Check List below is to help you collect the information you need to submit by March 15, 2026.

MISSISSIPPI SECTION ANS Scholarship Award

Enclosed:

Application

Official School Transcript(s) with seal

Reference #1 in sealed envelope

Reference #2 in sealed envelope

Please be sure the reference forms are completed and returned to you (the student) in an envelope sealed by the person providing the reference by March 15, 2026. These reference forms must be included in your application package.

All of the above must be included to be considered a complete packet.
