

Lake Almanor Area Chamber Presents

HOLIDAY SHOPPING TOUR

CHESTER, WESTWOOD, INDIAN VALLEY, LAKE ALMANOR
NOVEMBER 10-11, 2023

HOW TO MASTER the holiday shopping tour

1

STUDY YOUR PASSPORT

Look through your Passport (the thing that's in your hand right now) and enjoy all the beautiful ads. Keep your Passport with you at all times during your Holiday Shopping Tour.

2

SHOP TIL YOU DROP

Shop participating businesses and have a blast! There will be delectables along your tour, and maybe even a few games. For a map of participating businesses, scan the QR code on page 11.

3

GET YOUR STAMPS

When visiting a participating business, ask the business for their official Holiday Shopping Tour Stamp. The more stamps you acquire, the more entries you get for free giveaways! No purchase necessary to get a stamp.

4

DINE & STAY

Our area features many different cafes, markets and restaurants. If the local dining option doesn't have a stamp, ask the owner to initial your Passport for additional entries!

5

SUBMIT YOUR PASSPORT

Before you leave town, please tear out your stamp page with your personal information and drop it off at any participating locations. You do not need to be present to win a giveaway.
