

# Weather & Safety Contingency Clause

Double Duty Portable Storage and Movers, Inc. reserves the right to delay or reschedule services (loading, transport, or delivery) due to hazardous weather conditions. This includes, but is not limited to: High Wind Advisories, Iced Road/No Travel Advisories, Heavy Snow, or Blizzard Warnings. I agree to the following safety contingencies:

1. **Safety Priority:** Services will be suspended until all official advisories are lifted and road conditions are deemed safe for heavy equipment and crew.
2. **Liability:** The Company is not liable for delays, missed deadlines, or secondary costs (e.g., hotel stays or closing delays) resulting from weather-related rescheduling.
3. **Site Access:** Customers are responsible for clearing snow and ice from the service area. If the site is deemed unsafe by our crew, service may be postponed.
4. **Rescheduling:** We will prioritize rescheduling your service for the first available safe opening following the weather event.
