Footprints Preschool wins **Award of Excellence 2024**

Finding a safe and nurturing environment for children is of paramount importance for parents. Footprints Preschool based in Addlestone, first founded in 2013 is a childcare setting that has become synonymous with excellence, offering a flexible and high-quality setting for children to learn, play, and grow. After 10 years in business they decided to open a second setting in 2024 in New Haw. With a commitment to providing outstanding care, Footprints Preschool has garnered praise not only through its impeccable Ofsted report but also through continuous positive feedback from both parents and children. Footprints Preschool prides itself on being a flexible childcare setting, recognising the diverse needs of modern families. The facility offers a range of services tailored to accommodate the unique schedules of parents, including full-day care and part-time options available. Footprints Preschool is more than just a childcare setting, it's a place where children are encouraged to explore, learn, and grow in a warm and nurturing environment.

The team's hard work over the years has started to pay off with them winning Pre-school Education Provider of the Year 2023/2024 from the South England Prestige Awards. At E2 Media we have recently unveiled the highly anticipated 2024 Awards of Excellence, spotlighting outstanding achievements across various industries. Among the distinguished winners is Footprints Preschool, their exceptional dedication to providing unparalleled service has set them apart, earning them the recognition and admiration of both their industry peers and clients alike. This accolade not only highlights Footprints Preschool commitment to excellence but also highlights the consistent efforts to go above and beyond in ensuring a positive and seamless experience for their customers. We think it's important to recognise organisations that are bringing something new and innovative to their marketplace. They don't have to be the biggest but have to be an organisation that is trying to offer something different to what is already out there and above all they must offer a great product or service. We feel that Footprints Preschool ticks all the boxes and is a worthy winner of our award.

The ethos at Footprints Preschool revolves around teaching children basic skills and promoting their social skills. They focus on the nurture side, ensuring the children feel loved and secure so they can thrive. The facility is equipped with spacious classrooms, a well-equipped garden, educational resources, and age-appropriate activities that promote holistic development in a stimulating environment.

The team at Footprints Preschool are all highly qualified, first aid trained and DBS checked and are passionate about childcare and personal development.

> **One of the most compelling endorsements for Footprints Preschool comes from the continuous positive feedback received from both parents and children. Testimonials frequently highlight the caring and professional staff, the engaging learning environment, and the positive impact the facility has on children's development. Parents appreciate the open communication channels maintained by Footprints Preschool, fostering a sense of partnership in the crucial task of raising happy and healthy children.**

For parents seeking a childcare solution that prioritises flexibility, quality, and genuine care, Footprints Preschool remains a shining example of what exceptional child care can achieve.The challenge they face as their reputation grows and the demand for their services increases further will be to maintain the high standards that have given them so much success in the past. Given the track record they have we think it's something they will achieve and that Footprints Preschool is a name you'll be hearing much more of in the years to come.
