The ANNANDALE CHAMBER OF COMMERCE joins businesses, community organizations, and professionals for the purpose of maintaining a favorable business climate while contributing to the quality of life that makes Annandale a special place. The Chamber is a business organization of approximately 200 members that has been in continuous service to Greater Annandale since its incorporation in 1943. The Chamber's primary goal is to build the Annandale Marketplace. Additionally, emphasis is placed on the following efforts:

Marketing and Promotion of our Members: The Chamber has proudly produced their quarterly online news magazine, *ENDEAVOR*, since January 2008. In a few short years it became the *must read* publication for all of Annandale. It heralds both chamber members and our home town; it discusses major issues affecting Annandale; it informs with interesting columns such as *The Police Beat*, *View on Nature*, *Annandale Real Estate*, *Tax Talk*, *Insurance Insights*, *The Golden Years*, *Uncovered & Local History*, and, it provides timely schedules of local activities and stories of special interest. *ENDEAVOR* also provides expansive advertising opportunities to businesses and organizations. See the current issue on the Chamber's new interactive website which also presents great advertising opportunities at low member rates.

The Chamber has just recently provided advertising opportunities on the home page of the Chamber website at well below market rates. This is done to offer local advertising opportunities to our members with a proven site that is the most popularly viewed site in the Annandale marketplace, with over 2 million views per year.

Quality Government: To work with county and state government to encourage good management practices at every level, including sensible budgets, rational decision making, and advanced planning for public facilities.

Beautification: To participate in "Annandale Beautification Days" and to work to beautify Annandale by encouraging and supporting good architecture, protection of our canopy, additional landscaping in the Central Business District, and along medians and main thoroughfares.

Revitalization: To encourage the revitalization of older buildings and properties into well-designed, comprehensively planned, mixed-use development.

The ANNANDALE CHAMBER OF COMMERCE invites all interested citizens and businesses to join the Chamber and help make Annandale an even better place in which to live, work, and play.
