## **TO ALL GUN SHOW VENDORS:**

Thank you for your support of the Fall 2025 Gun Shows. We truly couldn't be a success without you. To ensure that all future shows run smoothly and are an even bigger success, please review the policies outlined below. Your cooperation in the following areas is greatly appreciated:

### **TABLE COSTS AND POLICIES:**

- Half of the total table cost must be paid when reserving your tables.
- Table prices increase two weeks prior to show date.
- No refunds will be given 2 weeks prior to show date.
- No sub-leasing of tables will be allowed. You are responsible for all tables that you book in your name.
- All tables must be paid in full by Friday load-in time.
- If you book tables and they are not paid by show open on Saturday and you do not show up or call, you will be responsible for paying the full amount of tables ordered before being allowed to enter any of my future shows.
- Please make all payments to Big Pop Gun Shows.

These policies will allow me to give my full attention to preparing the show for the public open time. I'm asking for this because once a floor plan is in place for the week of the show, it's difficult to make changes on Saturday morning. It's not fair to the other vendors to have empty tables next to them.

### **FACILITY POLICIES**

In order to keep rental costs as low as possible, please pick up trash in your table area at the close of the show on Saturday and Sunday. Trash cans are located throughout the building. Boxes and other large items need to be properly disposed of each day. Tobacco products and alcohol are prohibited at all shows.

### **LOADING IN/OUT**

I will have staff to help you unload and load on Friday, Saturday, and Sunday. After the show is over, please have your items packed up to load on a cart or in a vehicle. My event staff will be on hand as soon as the show is over to help you get loaded, out of the building and home as quickly as possible. If you do not need their assistance, this will not apply to you. ABSOLUTELY NO CARTS in the aisle until I say "Gun Show is Closed" for safety reasons.

### **SECURITY AND SAFETY**

You are responsible for the security of items on your table. Please do not leave tables unattended during the show. You are responsible for keeping your table area and the surrounding aisles clear of all boxes, merchandise, etc. We are not responsible for any injuries sustained before, during or after the shows. In order to ensure the safety of all those who attend the gun shows – please make sure that all firearms are unloaded before they are displayed on your table. You are responsible for checking any firearms that you bring into the show. ( Big Pop Gun Shows will provide a suggested sheet on how to properly secure all FIREARMS. Please feel free to ask staff about procedures. )

**Security Policy:** Guns that are found during show hours that are not secured: vendor will receive one written warning on first violation, second warning will have result in a fine, and third offense could result in removal from gun show.

### **PETS**

Pets are allowed inside the building, but must be kept in a carrier, out of public view, during the entire length of the show - including load-in and load-out. When taking pets outside, they must be carried in your arms and taken to the back of the building – front and side grass areas are not for pet use.

I look forward to seeing you at the Gun Shows! Please feel free to contact me with any questions, comments, or concerns.
