# How It Works

## OPTION 1

### CHOOSE ONE OF OUR UNIQUE DESIGNS

All of our playsets are customizable! You have the ability to change accessories or select upgrades to fit your family's needs or budget.

For example, many of our designs come "standard" with a roof, a ladder, a 10ft long slide, and two swings for a set price. You can add additional swings or upgrade the standard swings. You can add stairs, upgrade slides, add rock walls, picnic tables, web swings, glider swings, and MORE.
