

NVA GA & MLS Next HG
Financial Assistance Application
2026-2027

Deadline for consideration: Sunday, April 12, 2026

Dear Parents and Players,

NVA Soccer is committed to ensuring that all players have the opportunity to participate in our programs regardless of economic status. As such, NVA Soccer offers a Financial Assistance program to help qualified families offset NVA Soccer Club fees. Financial assistance awards are for a single seasonal year, and must be applied for annually. Financial assistance covers Club fees only; families receiving financial assistance are expected to pay uniform fees (at a discounted rate) and team fees.

Eligibility for financial assistance is based primarily on verified family income; and, so all families applying for assistance must submit income information for verification purposes. For the 2026-2027 season, the eligibility threshold is an annual gross family income of \$65,000. That said, other factors such as unemployment or financial hardship will be considered in cases where the threshold is not met, and must be outlined in detail on the application.

Recipients of financial assistance are requested to contribute volunteer hours to NVA Soccer, in proportion to the magnitude of their grant. Financial Assistance amounts are available as follows:

- 75-100%: The player family is responsible for 0-25% of the program fee, and are asked to contribute 20 hours of volunteer work across the 2026-2027 season.
- 50-75%: Family covers 25-50% of the program fee, and contributes 16 hours of volunteer work.
- 25-50%: Family covers 50-75% of the program fee, and contributes 12 hours of volunteer work.
- 15-25%: Family covers 75%-85% of the program fee, and contributes 8 hours of volunteer work.

Please note that the Financial Assistance award will be a dollar amount, and the amount families have to cover will be stated with the award letter.

In order to be considered for financial assistance, applicants must supply all the information requested on the following pages, even if certain information has been provided in the past. Incomplete applications will not be considered.
