

“We know how tough it is to navigate an unfamiliar supply chain, especially when you're new and eager to build teams and start projects. Our flexible engagement options help you make an impact faster.”

JEZ CLARK
CO-FOUNDER & CEO

TAILORED SOLUTIONS

MULTIPLE WAYS TO PARTNER WITH US

Our consultancy model allows you to package talent costs within a project-based Statement of Work - unlocking access to different budget lines and accelerating delivery.

Capability Builds: Multiple Permanent & Contract Hires *

- Delivered as a team-based solution
- Structured as a Statement of Work (SOW)
- Managed via Procurement

Consultancy Model (Project + Staffing) *

- Full project delivery and talent provision under one SOW
- Combines consultancy expertise with scalable staffing
- Engaged through Procurement or HR, depending on scope

Contract Staffing Solutions

- Short or long-term contractors
- Usually engaged via Procurement

Retained Permanent Hiring *

- Ideal for building or scaling data teams
- Fixed-price placement fees
- Engaged through a standard agreement with HR

Permanent Staffing Solutions

- Traditional recruitment for permanent roles
- Typically managed through your HR team

*** Additional services are included within these engagement options such as:**

- Market Mapping & Benchmarking
- Assistance in creating Job Descriptions
- Assessing Candidates - including technical screening (if required)
- Referencing & Validation
- Enhanced Job & Brand Promotion
- Access to Thought Leadership Communities
