NEXTGEN TALENT SOLUTIONS – BUILDING YOUR FUTURE DATA & AI WORKFORCE

Eden Smith's NextGen graduate programme goes beyond traditional recruitment. We don't just place outstanding data and AI graduates - we set them up for long-term success.

HIGH-CALIBRE GRADUATES

Sourced in partnership with leading universities & our **Nurture Programme**, our graduates are adaptable, technically skilled and ready to deliver impact from day one.

ACCELERATED ONBOARDING & UPSKILLING

To reduce the talent-to-impact gap, each hire benefits from a year of monthly webinars and workshops with industry-leading data professionals, plus dedicated mentoring to build workplace confidence and capability.

FIXED, TRANSPARENT PRICING

For £5,000 per hire, you secure exceptional talent and 12 months of ongoing professional development and support - no hidden costs.

Future-Proof Your Data & AI Team

Empower graduates who will grow with your organisation and accelerate the data and AI transformation needed to spark innovation and meaningful change.
