

2026-2027 Topic Survey

Name _____

Are you a Parent? _____ Are you a Teen? _____

The Nativity Youth Ministry Program involves 4 components and is based on A Vision of Youth Ministry, Renewing the Vision, and Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age (United States Conference of Catholic Bishops). We do have a formal systematic faith development curriculum from St. Mary's Press that we use but we make sure to also cover a blend of the most requested topics from this survey during the year as well, mixing both top teen and top parent requests. This way our program is always teaching what people want to be taught in addition to a formal curriculum based on the Catechism of the Catholic Church.

What are some topics you would like to discuss or discussed with your teen this year? Check off anything you might be interested in - some topics may be listed more than once or seem similar. Write in any topics you want covered that are not listed in the space on page 2.

Is there any way I can assist you as a parent or teen in my role as Youth Minister?

Thank you,
Mike James
Director of Catechetical Ministry
