

REACH THE WORLD. PLANT A CHURCH.

—This October is —
*National Church
Planting Month*

WHAT CHURCH PLANTERS ARE SAYING

"Dr. Shoemaker, Thank you for the letters and the checks you sent to help us with the renovation of the 6,500 square foot building we recently purchased. I am humbled by your kindness and generosity. The reproducible workbooks that you have authored and published have been a valuable resource for us. I think we have every book you have made available!"

- *Church Planter, Washington*

"Thank you for taking interest in our family and praying for us. I appreciate you greatly; I love your help and leadership in my life."

- *First-time Pastor, Maine*

"I received your book "Revitalizing the Sunday School" in the mail today and wanted to thank you for your gift. I have been using the material you taught me in school, the wisdom passed down, and the practical application on a regular basis. I am teaching through the stewardship material for the second time. Thank you for helping and thank you for caring about church planters."

- *Church Planter, Oregon*

"You have impacted my life and ministry more than you could ever know. Thank you for ministering in our church."

- *First-time Pastor, Florida*

"Dear Dr. Shoemaker, You are such a blessing and a friend. Thank you for the generous gift to help us remodel our building, and for being such a blessing. I love and appreciate you."

- *Church Planter, Arkansas*
