Notice of Distributor Price Change for Hot Max

Effective July 1, 2026

Dear Valued Customer,

Thank you for your continued partnership and support of the Hot Max product line. This letter serves as formal notice of an upcoming change to our Hot Max distributor pricing.

This adjustment reflects ongoing changes in operating conditions, including material costs, freight, tariff changes, and overall supply chain expenses. We have worked to limit the impact where possible while continuing to meet expected quality, service, and availability standards. We have diligently maintained competitive pricing without compromising quality and continue to ship orders, on average, 99% complete.

The updated distributor price list will take effect on **July 1, 2026**, and will apply to all Hot Max orders shipped on or after that date. **Orders shipped prior to July 1, 2026, will be invoiced at current pricing.**

Your updated Hot Max distributor price list will be provided separately by your sales representative **no later than May 1, 2026**. If you have open quotes or contract pricing arrangements, please contact us so we can confirm any applicable terms and transition timing.

Please reach out to your sales representative or account representative, call us at (636) 493-9920, or email us at kdar@kdarco.com with any questions.

We value your business and are committed to making this transition as smooth as possible. We appreciate your continued partnership and look forward to supporting your team and customers with Hot Max products. Be sure to watch for our new items coming this spring.

Sincerely,

Dax Nieders
