

PATIENT INFO

Before you come in

You will complete paperwork, your surgeon will examine you and take films if they are needed, and you will leave with a plan. Sometimes we operate the same day.

Bring with you

- ☐ Your referral slip and any films/x-rays your dentist took
- ☐ A list of your medications, with your physician's name and number
- ☐ Your completed insurance forms, so the claim is not delayed
- ☐ A parent or guardian, if the patient is under 18

Tell us about

- ☐ Pregnancy, and any chronic or recent illness
- ☐ Heart valves, joint replacements or other implanted devices
- ☐ Any difficulty with anesthesia in the past

Fees and insurance

- ☐ Credit cards, CareCredit, cash and personal checks
- ☐ The front desk handles insurance and billing, and bilingual staff are available
- ☐ Ground floor, parking outside the door, and reachable by public transit
