Waco Memorial Park Price Guarantee

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. We are committed to service beyond expectation before, during and after the service. We guarantee that if you are not 100% satisfied with any aspect of our services, we will make every effort to correct the situation. If we cannot correct it to your satisfaction, you will not be charged for that service item.

Complete Funeral and Cremation Packages

To help make planning easier for you, we offer several burial and cremation packages. These packages provide you with a range of selections, options, and prices. Most importantly, they allow you to devote more time to personalizing the service. Each package is designed to provide a complete ceremony, including both services and necessary merchandise. Detailed descriptions of the various packages are included in this brochure. If you do not want one of these packages, you may choose individual items listed in the General Price List.

Payment Policy

Losing someone you love is devastating and can be traumatic. It can seriously impact one's judgement. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. It is also important to be realistic with funeral expenditures. Provisions for payment are due at the time of arrangements. To avoid any misunderstanding or embarrassment and for your convenience, we accept the following methods of payment: cash, check, credit or debit card, insurance assignment of verifiable life insurance*, payment by forwarding or receiving funeral home, or pre-paid funeral plan. Please consult with your funeral director with all questions or concerns.

* Proceeds from one or more insurance policy can be assigned to the funeral home in an amount sufficient to satisfy the cost of the services. In addition, our funeral home and cemetery utilizes a third-party finance company, Express Funeral Funding® to assume responsibility and acceptance of your policy or policies for verification processing and funding for the services and merchandise selected. Express Funeral Funding® assesses a fee equivalent to 5% of your total contract price, for individual life insurance policies and a floating percentage for group life insurance policy, to be paid to Express Funeral Funding® through the benefit amount of the policy. We are unable to accept any policy that is in its contestable period. A contestable period is usually two years from the date the policy goes into force. We are unable to accept any insurance policy that is deemed non-assignable by the company underwriting the policy.

Pre-Planning Assistance

We provide free assistance with pre-planning. You have the option of locking in today's prices and funding your funeral plan relieving your loved ones from these difficult decisions.

Outer Burial Container Price List

Prices Effective February 15, 2024. Prices subject to change without notice

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in the future. Either a grave liner or a burial vault will satisfy these requirements.
