Dear Pan American Sisters,

It is pleasant to be able to communicate with you hoping that all of you are in good health.

From the Nominations Committee we provide all of you with the following:

- We are on our way to the Biennial Convention in Viña del Mar and surely in some of the table names of members who could serve as Candidates to fulfill the future elected officer duties of the Alliance are being considered.
- This committee is asking that interested member(s) prepare their Curriculum Vitas according to the model and items that are included in the file. If there are any questions, please feel free to consult me at my email, martabruno97@gmail.com.

- Please do not forget that the nomination must have a letter of support signed by the Table Director and the Recording Secretary along with a copy of the minutes in which the members supported the nomination candidacy.
- The final deadline to receive the nomination of the candidate is the 9th of August or rather 60 days before the start of the Convention. The date extension is due to requests by the Tables and endorsed by the Committee and accepted by the Director General.

Sisters, I invite you to enthusiastically and responsibly commit to our movement which is the only way to succeed.

With my care and respect always,
