CIRCULAR No. 1

**To the Board of Directors, Advisory Council, National Associations Chairs,
State Director, National Secretaries, and Different Zone Directors of the Pan
American Round Table.**

Dear Pan American Sisters,

It is very gratifying to be able to communicate with you hoping that all of you are in good health.

From the Nominations Committee we are sending all of you the following information:

- We are enroute to our Biennial Convention in Viña del Mar and definitely in some tables there are names of members being discussed as possible candidates to carry out the various duties of the future Alliance officers.
- This committee requests that the members that are interested to prepare their curriculum vita, limiting the items in the model that are included in the memo. If there are any questions, please contact me at my email martabruno976@gmail.com.

- Do not forget that the nomination form should include a copy of the Table's minutes signed by the Director and Table Secretary that indicate the Table's support for the candidates and the position they are being nominated for.
- The deadline for the submission of the curriculum vita is until July 8, 2026 which is 90 days before our convention (this decision was reached by the Nomination Committee by Zoom in order to responsibly conduct our business.)

Sisters, I invite you to enthusiastically and responsibly commit to our movement, which is the only manner in which to reach success.

With the respect and care of always.
