To the Board of Directors, Advisory Council, National Association Presidents, State Director, National Secretaries, Chairs of Permanent Committees and Special Committees of our organization.

Dear Sisters In Ideals:

I greet you warmly and with hope of well being in company of your families.

The fulfillment of the Alliance work for the 2024-2026 biennium is extraordinary useful for the development of our organization. On May 13, 2025, the second board and advisory council meeting was held. The purpose of this meeting was to promote a better integration. We were joined by something very valuable, the true Pan American sisterhood.

The entire agenda was accomplished in a lovely environment of camaraderie. All the greetings and the projects of the Board of Directors, the Chairs of the Permanent Committees and Special Commissions were excellent. It was noted the interest that you have in resolving problems and the aspirations for the common good.

A committee composed of Advisor Carmen Guerra, Sylvia Williams, Associate Director Vianey Aponte and translator Rosa Maria Vida was named to study and decide the restructuring of Zones I & II.

A committee composed of Advisors Norma Rios de Flores y Martha Ofelia Martinez de Calderon was named to study the possibility of having a convention with a hybrid format.

A thank you to all the Pan American sisters for their virtual attendance. Thank you because in all the work projects had their creativity, their intelligence and their efforts so that our movement will be a useful instrument capable of accompanying us in the search of peace and continental understanding.

May we always have the desire to value our work so that we may be proud of being Pan American.
