

THE SIGNATURE EXPERIENCE

MONTH-OF COORDINATION

YOU'VE PLANNED THE CELEBRATION. NOW LET'S MAKE IT EFFORTLESS.

Beginning 4–6 weeks before your event, The Signature Experience Month Of Coordination steps in to bring every moving piece together—from vendor confirmations and final logistics to timeline management and seamless execution.

Our role is simple: *you remain present. We manage the rest.*

THE FINAL DETAILS

Before the celebration

We review contracts, finalize outstanding details, build your comprehensive event timeline, and walk the venue to ensure the layout and flow are exactly as intended.

Your vendors receive final confirmations, arrival times, responsibilities, and logistics, with unlimited communication throughout the coordination period.

THE MOMENT ARRIVES

Rehearsal + Event Day

From ceremony rehearsal through the final vendor departure, we provide a calm, experienced presence behind the scenes.

I'll coordinate arrivals and setup, manage transitions, cue speeches and special moments, troubleshoot in real time, and keep the celebration moving beautifully and effortlessly.

WHY THE SIGNATURE EXPERIENCE
