NOTE: OEC Regulations requires a child's health record to include information regarding disabilities or special health care needs such as allergies, special dietary needs, dental problems, hearing or visual impairments, chronic illness, developmental variations or history of contagious disease, and an individual plan of care for the child with special health care needs or disabilities. The plan shall be developed with the child's parent(s) and health care provider and updated as necessary. Such plan of care shall include appropriate care of the club member in the event of a medical or other emergency and shall be signed by the parent(s) and staff responsible for the care of the club member.
