Your invoice

KCLS invoices the actual number of reserved visits. Separately approved travel, weekday after-hours or other charges are additional and disclosed in advance. Their tax treatment is confirmed separately. KCLS discloses the full amount before payment. Approved Saturday visits use regular package rates. No automatic new fee is added by this rate sheet.

KCLS sends Square invoices by text or confirmed email and schedules visits with you. Weekly prepayment remains due 48 hours before the first weekly appointment; monthly prepayment remains due five calendar days before the first monthly appointment. Each visit must be fully paid before it begins.

Existing scope, cancellation, refund, prepayment, authorization and scheduling terms remain governed by the signed Agreement. This reference does not silently amend an existing signed agreement.
