

The TRC Way

Custom cabinetry with craftsmanship, character, and a commitment to getting it right.

What is The TRC Way?

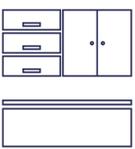

At Twin River Cabinets, we believe quality starts with craftsmanship and ends with trust. We don't cut corners or chase trends. Instead we focus on doing things right, with attention to detail, honest communication, and pride in our work. Every cabinet is built to last, whether it's a full kitchen, a vanity, or a custom built-in. We show up, follow through, and treat your project like it matters, because it does! That's the TRC Way.

Our Services

Custom Kitchens & Vanities

Designed for how you live. Custom kitchen cabinets and vanities built to fit your style, storage needs, and daily routines.

Revive by TRC

Give your cabinets a clean, new look with professional MDF doors. A simple and high impact upgrade without a full remodel.

Built-Ins, Bars, & Entertainment

We design and build custom built-ins, bars, and storage that make your space work smarter and feel more finished.

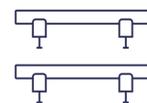

Premium Wood Selections & Stain

Choose from quality hardwoods and a wide range of stains to match your style, from light and modern to rich, classic, and timeless.

Painted Cabinet Finishes

Get smooth, durable painted finish in the color you love. Perfect for a clean, modern look or a classic update that stands the test of time.

Hardware Selection & Installation

The right hardware makes all the difference. We'll help you choose pieces that feel good in the hand and install them for a perfect fit.

Why Work With TRC

Choosing the right cabinetry partner can make all the difference in your project, and we don't take that lightly. At Twin River Cabinets, we combine skilled craftsmanship with a personal approach that keeps your needs at the center of everything we do.

Here's what you can expect when you work with us:

1. **Custom, Not Cookie-Cutter** - Your space is unique, so your cabinets should be, too. We tailor every design to your layout, your lifestyle, and your style preferences, so the end result feels truly your own.
2. **Honest, Down to Earth Guidance** - No sales pressure. No confusing terms. Just clear answers and thoughtful advice from a team who cares about getting it right.
3. **Built to Last** - We use high quality materials and skilled construction methods designed to stand up to real life, not just look good on install day.
4. **Local and Invested** - We're proud to be based in White Bear Lake and serve homeowners across the area. When you choose TRC, you're working with a team that's just around the corner and always a call away.

FAQ's

What types of cabinetry do you build?

We design and build custom kitchen cabinets, vanities, built-ins, bars, entertainment centers, and more. If it needs storage and style, we can make it.

Do you work directly with homeowners?

Yes, we work with homeowners, builders, and designers. Whether it's a single room or a whole home, we're here to support your vision.

What areas do you serve?

We're based in White Bear Lake, MN, and proudly serve the surrounding Twin Cities metro area. Not sure if you're in range? Just ask.

What is your design process like?

We start with a conversation about your space and goals. From there, we offer custom design options, confirm details, and build everything to order.

What if I only need a small cabinet or single vanity?

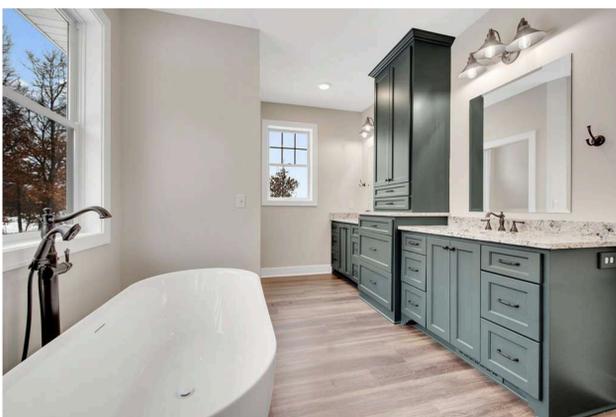

No problem. We take on projects of all sizes. Feel free to reach out and we'll let you know if it's a fit.

Do you offer cabinet refacing?

We offer an upgrade option through our Revive by TRC line, replacing your existing cabinet doors with professionally designed MDF doors for a fresh new look.

Can you match my existing cabinets or finish?

In many cases, yes. Bring us a sample or photo, and we'll do our best to create a seamless match — or suggest complementary finishes.

FAQ's

Can I choose the wood species and finish?

Absolutely. We offer a wide range of wood types, stain options, and painted finishes so your cabinets match your style and space perfectly.

Do you offer painted cabinets?

Yes! Our painted finishes are smooth, durable, and professionally applied. We offer a range of classic and custom colors to choose from.

Can I see samples before choosing finishes?

Yes, we have samples available for stains, woods, and paint colors. We guide you through your options on our easy-to-read downloads.

Do you help with hardware selection?

Yes, we'll help you choose knobs or pulls that feel good in the hand, fit the scale of your cabinetry, and align with your overall design.

What materials do you use?

We use high quality hardwoods, plywoods, MDF, and durable finishes, depending on the project. We never cut corners with cheap materials.

How long does a typical project take?

Lead times vary based on project size, design complexity, and material selection. We'll give you a clear timeline before we begin.

Do you require a deposit?

Yes, a deposit is required to secure your spot in our production schedule. Payment terms are outlined clearly before any work begins.
