Updated May 20, 2026

If you don't find your answer below please reach out to admin@mobileunitedrush.com

Q: My child attended tryouts but we haven't received an email indicating if he/she was invited to a team?

A: We ask that you check SPAM, JUNK and ARCHIVE folders for an email from tryout@mobileunitedrush.com

If you haven't received any email please send an email to tryout@mobileunitedrush.com with the players **FIRST NAME, LAST NAME** and **Date of Birth** along with the email address the invite should go to.

Q: Do we register for the Fall season and Spring season separately?

A: Yes, Fall and Spring seasons will be handled separately. You do not need to attend additional tryouts held in December if you are already rostered on a team for the Fall.

Q: What do the Fees cover each season?

A: Fees are **ALL INCLUSIVE**. Fees include registration fees, training fees, field rental, Coastal Rush fee, coaches pay, coaches travel and **4 EVENTS** for the season. Players will **NOT** be assessed any additional fees for the season.

Q: Do I have to pay fees for the season all at once?

A: You are responsible for a non-refundable registration fee when registering your player for the team. Several payment options are available. Parents can pay fees in one payment or select a payment plan. If additional resources are needed please contact treasurer@mobileunitedrush.com

Q: What does it mean if my child was invited to play on a tournament team?

A: A Tournament team will participate in 4 tournaments for the season. The head coach of the team will select the 4 events for the team to participate in. Travel can vary 60 miles from Mobile to areas such as Foley, AL, Birmingham, AL, Panama City FL etc.

Q: What does it mean if my child was invited to a Grassroots Development League team?

A: Travel for games will be within a 60 mile radius. The League will provide 7-9 games competing with surrounding partnering Soccer Clubs with a finale tournament at the end of the

season. This league is designed to promote confidence, touches on the ball, game understanding, and long-term progression.

Q: What does it mean if my child was invited to play in the N1 League (National)?

A: National 1 League is the top team based competition in US Club Soccer and US Youth Soccer, elevating teams across the country into a unified national platform integrated with the ECNL. We are classified as the Southeast District 3 (AL, FL Panhandle). High performing clubs will be eligible for promotion to the ECNL Regional League. Travel will be in Alabama and across the panhandle of FL.

Q: I've accepted my child's spot on his/her roster. What do I do now?

A: Once teams are confirmed the registrar will send out an invitation to join the team HEJA. This is the communication platform Mobile United Rush FC will use to communicate team announcements, updates, training times, games etc.

Q: When will we find out the training schedule?

A: Once teams are confirmed (meaning all accept/ declines and waitlists are received) the club directors can schedule training for each team. Training dates and times will be communicated on the team HEJA.

Q: When will we find out the game schedule?

A: Once teams are confirmed (meaning all accept/declines and waitlists are received) our tournament/league director will work with coaches to register teams for either requested tournaments and/or league play. This will be communicated on the team HEJA. We typically begin registering for tournaments and league play beginning of July.

Q: My child already has a uniform kit from the 2025/2026 season. Do we need to order a new uniform kit?

A: No, you are not required to order a new uniform unless your player has lost pieces or has outgrown specific pieces.

Q: We are new to the club and need to order a uniform. What do we do?

A: Once you have completed your registration club administration will send Capelli your players team information and a link will be sent to you from **Teamshop Donotreply CSP.**

Q: I did not receive my uniform order link, what do I do?

A: First, in your email, search "Teamshop Donotreply CSP" to see if the link went to your spam or promotions folder. If that does not work, send an email to muadmin@coastalrush.com. In the email, be sure to include your Players' Name, DOB, Jersey #, Team Name (example: Mobile United Rush 08B, Mobile United Rush 10G, etc.), and your email address.

Q. If I have multiple players, do I have to place separate orders?

A: No, to avoid multiple shipping costs, you will need to click on your first player's link and add all items to cart, then close the screen. Click on your second player's link and add items to the

cart - this cart will update and both players items will be in the new cart as long as you have the same email for both players. If you have three, they will all appear in the last cart. Then just order from the last cart in order to pay shipping only once.

Q: Do I need to buy a soccer backpack?

A: No, players are not required to have a Capelli soccer backpack, if you have one from the previous season, you do not need to buy a new one.

Q: What are the required training items for practices?

A: All players will be required to have one full training kit (jersey/shorts/socks as shown below). Black jerseys, black shorts, and black socks from the previous season may be worn for practice. Goal Keepers also need the all black training kit for practices. We suggest multiple training kits.
