IT HAS NOT BEEN APPROVED BY THE COLORADO REAL ESTATE COMMISSION

**AGREEMENT:** This Lease Agreement (Lease) is made on this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_, between \_\_\_\_\_ ("Owner" or "Landlord"), by and through **STEGNER PROPERTY MANAGEMENT, LLC** ("Landlord's Agent") and \_\_\_\_\_ collectively "Tenant". For purposes of this Lease, Landlord may at all time act through Landlord's Agent in any action permitted or required to be taken by Landlord. The intended use of the Premises described below is residential occupancy only. **No other adults, other than those listed on this lease agreement, will occupy the Premises without written consent of the Landlord, and no use shall be made of the Premises other than residential. The prohibited uses include but are not limited to any commercial or other business uses, whether for profit or not-for-profit and any use in violation of any code, ordinance, statute or regulation of any government body with jurisdiction over the Premises, including without limitation the county within which the Premises lies, the State of Colorado and the United States of America. As required by context singular shall mean plural and plural shall mean singular and masculine pronouns shall mean masculine or feminine.**

Landlord and Tenant agree as follows.

1. **LEASED PREMISES:** \_\_\_\_\_, \_\_\_\_\_, Colorado (the "Premises").
2. **LEASE TERM:** Shall be from noon on the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_ to noon on the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_.
  - 2.1. Holding Over: Tenant acknowledges that Landlord and/or Landlord's agent must arrange in advance for the labor and services required in order to prepare the Premises for a new occupant, and that if Tenant fails to vacate by noon on the final day of the Term it costs Landlord and/or Agent time and money in rescheduling, delay in preparing the Premises for a new occupant and other things that are difficult to precisely put a price on. **Tenant agrees to pay liquidated damages of \$250.00 for the first day or part of a day** that Tenant remains in possession beyond the date and time specified in Section 2 as the end of the Term. In addition, if Tenant remains in possession past 12:00 p.m. (noon) on the second day after the expiration of the Term the tenancy shall become a tenancy at will with rent due on a per diem basis at a rate of 115% of the per diem rental amount pursuant to the Lease calculated by the formula:  $1.15 \times (\text{Total Lease Amount} / 365)$ . The rent so calculated shall be due without demand as it accrues. All other terms and conditions of this Lease shall remain in force.
3. **RENT, LATE CHARGES AND RELATED SERVICE CHARGES:** The Monthly Rent shall be \$\_\_\_\_\_, for a Total Lease Amount of \$\_\_\_\_\_ which will be due in full, less any amounts actually paid, upon default or breach of this lease by Tenant. The first month's prorated rent, if any, is \$\_\_\_\_\_. Rent shall be paid monthly, in advance, on or before the first day of each month. **Only one rent check per household will be accepted.** RENT PAYMENTS are payable to **STEGNER PROPERTY MANAGEMENT**, in certified funds, a money order or a personal check (no post-dated checks)

allowed). Rent can be paid online, if not paying online it may be placed in our rent drop box at our office located at: **1020 Luke St. Suite B, Ft. Collins, CO 80524. If tenant uses the USPS to mail their payment, tenant takes the full risk of it not being delivered on time. NO CASH WILL BE ACCEPTED.**

- 3.1. **It is expressly understood and agreed that failure to pay rent due on or before 11:59 pm on the FIRST calendar day of the month** constitutes a material breach of this Lease entitling Landlord to issue a demand for compliance or possession in accordance with CRS 13-40-101 *et seq* and to charge tenant an administrative fee of \$50.00 for the notice. This fee will be chargeable against Tenant's security deposit if it is not paid when incurred.
- 3.2. **If Landlord must file suit to enforce this Lease Agreement due to Tenant's continued or repeated non-monetary violations of the Lease Agreement, and subject to the duty to mitigate damages, Landlord shall be entitled to judgment for all rent due through the end of the Lease Term** (daily rent amount X number of days remaining on Lease) in addition to any other damages the Landlord may suffer. Rent is late if it is not received by 11:59 pm on the day it is due. **A LATE CHARGE equal to 5% of the monthly rent balance due will be due for any rental payment made after 11:59 PM on the eighth (8<sup>th</sup>) CALENDAR DAY of the month.**
- 3.3. Acceptance by Landlord of a late or partial rent payment from Tenant shall not be a waiver of Tenant's breach of this Lease or of any of Landlord's remedies under this Lease or pursuant to statute, unless modified by law, nor shall it be a waiver of applicable late charges in subsequent months.
- 3.4. If Tenant tenders to Landlord a "No Account", "Insufficient Funds" or "Bad" payment for any reason, a handling charge of **TWENTY DOLLARS (\$20.00), as well as accumulated late fees, shall be assessed and shall be paid by Tenant together with the original payment amount due in certified funds. If not paid when incurred this fee will be chargeable against Tenant's security deposit.** All subsequent payments from Tenant may be required to be certified funds at Landlord's discretion. Landlord will apply payments first to rent and then to any fees or other charges due from Tenant, regardless of any notation on the check.

4. **UTILITIES:** Tenant agrees to contact the appropriate utility offices prior to occupancy and pay any deposit required to secure utilities for the Premises. An additional administrative fee of FIFTY DOLLARS (\$50.00) per utility will be charged to Tenant to cover Landlords' costs in staff time for handling/transferring any utility service that is not connected by the first day of this Lease Agreement. If any utility service is disconnected and Landlord is billed for any charges incurred during the period of this Lease Agreement or any period of tenancy at will, tenancy at sufferance or otherwise following the expiration or termination of this Lease Agreement, tenant agrees to pay the actual charges from the utility plus an administrative fee of 2% (two percent) of the charge from the utility. Except where Section 4a of this Lease Agreement applies, all utility bills during the tenancy shall be sent to and paid by the Tenant. Tenant agrees to pay for all such charges and services promptly as due. The Tenant is responsible for the following utilities (Check those applicable): Utilities are to remain in service at all times during the term of this lease.

- 4.1. If a utility service provider requires that service remain in Landlord's name the following shall apply: Tenant agrees to pay the utility cost to the Landlord within five (5) days of notification of the amount due, and failure to do so constitutes a material breach of this Lease. Landlord may in its sole discretion accept late tender of payment. **The following utilities are the responsibility of the Tenant, but will be left in the name of the Landlord pursuant to the provider's requirements: \_\_\_\_\_.**

5. **SECURITY DEPOSIT:** Tenant is obligated to pay a security deposit of \$ \_\_\_\_\_, will secure the performance of Tenant's obligations, including without limitation the obligations to pay Rent and to maintain the Premises. Unless Tenant is otherwise notified by Landlord, the security deposit will be held by Stegner Property Management. Tenant will not be paid interest on the security deposit, and, as permitted by Colorado Law, any interest earned on the funds shall be the property of Landlord or Landlord's agent from the time the interest, if any, accrues.

- 5.1. The security deposit is meant to secure Landlord against any damages Landlord may incur in connection with any breach, nonperformance or other action by Tenant in connection with this Lease Agreement or Tenant's occupancy or possession of the Premises.
- 5.2. The parties agree that the Landlord has the right upon conclusion or termination of the Lease Agreement to apply the security deposit to any charge of any kind due from Tenant under the Lease Agreement whether or not the charge is specifically identified as one chargeable against the security deposit or not.
- 5.3. The things chargeable against the security deposit are, by way of example and not limited to, unpaid rent, late fees, costs of repair or mediation of Tenant damages to the Premises, beyond ordinary wear and tear, any administrative or other fees in addition to Rent due under any provision of this Lease Agreement.
- 5.4. **Tenant agrees to pay the actual costs for professional carpet cleaning and for changing the exterior door locks at the conclusion or termination of this Lease Agreement by whatever means that conclusion/termination occurs.** Both carpet cleaning and lock changes shall be arranged for by the Landlord only, but Tenant shall be responsible for the charges from Landlord's vendors regardless of any carpet cleaning done by or hired by Tenant. These expenses will be charged against the security deposit unless otherwise paid by the Tenant prior to the time Landlord does the security deposit accounting. Tenant is responsible for notifying Landlord when the Premises have been vacated so that Landlord may arrange for these services.
- 5.5. Tenant further understands and agrees that, in addition to any other requirements, all of the conditions in Sections 5.5.1 to 5.5.9 below must be met in order for Tenant to receive a full refund of the balance of the security deposit remaining after charges for carpet cleaning and lock changes. Items in this section are specific obligations of Tenant. They are not intended by the parties as limitations on the Landlord's rights to withhold security deposit funds for any permissible reason.
  - 5.5.1. That all rents and other charges for the full term of the Lease Agreement have been paid. Tenant has no right to treat the security deposit as prepaid rent or as the last month's rent.
  - 5.5.2. The full term of this Lease Agreement has expired and the Premises are completely vacated and possession surrendered.
  - 5.5.3. All payments due have been made.
  - 5.5.4. All keys have been delivered to Landlord and all utility bills paid through the end of Lease term.
  - 5.5.5. Pet excretions must be removed from the yard, lawn mowed or snow removed from walkways, if applicable.
  - 5.5.6. All mowing, trimming and weed removal have been taken care of, along with inside and outside areas free of garbage, debris, and animal feces. **If the Premises is equipped with any sprinkler system, Tenants shall not activate or deactivate the system, nor shall Tenants change the scheduled watering times or manually turn the system on or off.**
  - 5.5.7. All of the Premises including but not limited to the range, exhaust fan, refrigerator, bathroom fixtures, windows, mirrors, closets, light fixtures, cabinets and cupboards, are clean, cobwebs removed and woodwork wiped. All floors are scrubbed and carpets vacuumed. There are no burns or spots on carpeting, or indentations or scratches in wood or flooring.
  - 5.5.8. All burned out light bulbs and missing drapery hooks must be replaced.
  - 5.5.9. All debris, rubbish and discards are removed from the Premises at the time Tenant surrenders possession to Landlord.
- 5.6. It is understood that in the event damages exceed the amount of the security deposit, Tenant is liable for such balance and agrees to promptly pay any such amount due upon notification of the amount owed.
- 5.7. The Landlord shall fully account for the security deposit and tender a refund of any amount owed Tenant within 60 days after termination of the Lease or surrender and acceptance of the Premises by Landlord whichever occurs last. Any security deposit refund will be by check made payable to all persons last approved in writing

by the Landlord for possession of the Premises and mailed to the address designated by Tenant, or, if none is designated to the last known address of any of these persons or to any person who signs this Lease Agreement as a guarantor.

- 5.8. Landlord shall have the right to apply such portion(s) of the security deposit reasonably necessary to remedy any default(s) by Tenant in the payment of Rent, late fees or any other sum, or to repair any damage to the Premises or to Landlord's property caused by Tenant and Tenant shall replenish the portion(s) of the security deposit applied towards Tenant's default(s) upon written notice from Landlord.

All services and work in connection shall be payable by Tenant without demand when incurred by Landlord.
- 6.3. **A lockout fee of \$75.00** will be due and payable to Landlord at time of service for responding to lockout calls if Tenant requests Landlord or Landlord's agent to respond to the Premises. The parties agree that the charge becomes due as soon as Landlord or Landlord's agent dispatches someone to respond regardless of if the request is then canceled by Tenant prior to Landlord or Agent actually arriving to unlock the door. The fee is due without demand when incurred. Tenant understands that if Landlord is not available, Tenant must contact a locksmith at Tenant's risk and expense.
- 6.4. If mailbox key is not included at move in, it is Tenant's responsibility and expense to take a copy of the Lease Agreement to the post office to get keys and location of box and the postal service will change the locks.

**7. CONDITION OF PREMISES:** Tenant agrees and represents that Tenant has had an opportunity to inspect the Premises and agrees that the Premises is in good order and repair, and in a safe, clean and habitable condition at the time Tenant took possession. Tenant acknowledges receipt of the check-in sheet on which Tenant is responsible for listing all existing damages and defects, and returning to Landlord within five (5) days of the date of taking possession. It is Tenant's responsibility to confirm Landlord has received the check-in sheet and to make a copy of the completed check-in sheet for themselves prior to delivery to Landlord. Tenant accepts the Premises in its present condition after listing any existing damages and defects and agrees to bring any concerns to Landlord's attention right away by a phone call or email, even if it has been listed on the check-in sheet. If Tenant fails to turn in the check-in sheet within the (5) days of the date of taking possession, then Tenant represents that the Premises is in good order, clean and free from defect or damage at the time Tenant took possession. Tenant agrees to leave the Premises in as good a condition as when Tenant took possession, ordinary wear and tear excepted. Tenant shall use a minimum of small nails to hang pictures and personal effects and accepts responsibility for all damage caused. **Tenant shall not attempt to fill any nail holes.**

- 7.1. **Tenant shall make no alterations, installations or redecoration (including painting) of any kind to the Premises without Landlord's prior written consent. Tenant shall not install or caused to have installed any sort of television receiver or other receiver, dish or antennae of any kind on the Premises without prior written consent from Landlord.**
- 7.2. **Tenant accepts full responsibility for thorough and proper yard maintenance all around the property (which includes but is not limited to sufficient watering, weekly mowing and trimming, minor pruning, fall leaf clean up and appropriate weed control). If the Premises are equipped with any sprinkler system, Tenant shall not**

**activate or deactivate the system, nor shall Tenant change the scheduled watering times or manually turn the system off without written permission.** Tenant is required to report any problems Tenant notices with the sprinkler system in a timely manner. Tenant understands that at all times; Tenant is responsible for keeping all outside areas free of garbage, debris, animal feces, and/or any other unsightly items. Walkways are to be kept free of obstruction, ice and snow at all times. If, in the Landlord's judgment, any maintenance is below a minimum standard, Landlord may hire the work done and bill Tenant for the cost of service plus an administrative fee of 2.0% (two percent) of the cost of the services.

- 8. INSURANCE/LIABILITY:** To the maximum extent permitted by law, Tenant agrees to hold Landlord and Landlord's Agent harmless from any loss, damage or liability or claims thereof arising out of the use of the Premises, to Tenant's Person, Tenant's occupants, guests, callers, invitees or agents as well as Tenant's personal property, due to fire, theft, pests, water damage, wind and/or other casualty caused by the condition of the Premises, or other tenants or occupants of the building in which the Premises are located, acts of God, natural disaster or any other condition or circumstance. **Tenant is required to carry renter's insurance naming Stegner Property Management, LLC as an additional insured, Tenant must provide proof of coverage prior to Landlord delivering keys to the Premises (see attached addendum to this Lease Agreement).** Additionally, at any time during the tenancy, Tenant must produce proof of insurance at Landlord's request. Failure to provide proof of valid insurance within five (5) days of Landlord's request shall constitute a violation of Tenant's covenant to maintain insurance and a material breach of the Lease Agreement.

**9. OCCUPANCY, UNAUTHORIZED OCCUPANCY, ROOMMATE CHANGES:**

9.1. Occupancy, assignment and subletting: Occupancy of the Premises shall be by the Tenant only. The Tenant shall NOT assign this Lease or sublet the Premises in whole or part except with Landlord's written consent as follows: upon the execution by Tenant and Landlord, of an "agreement to re-rent" Landlord will attempt to locate a suitable replacement for current Tenant. Tenant agrees that Landlord shall be entitled to collect a SIX HUNDRED DOLLAR (\$600.00) Re-Letting Fee which the parties agree is a reasonable approximation of the actual costs to Landlord for the processing of the substitution. Those costs include but are not limited to advertising, showings, time required to prepare and to process the documents necessary to complete the substitution. Whether Tenant vacates the Premises or not, all obligations of this Lease shall remain in force until a new Lease with a suitable replacement Tenant has been negotiated and approved OR until the end of the Lease Term, whichever occurs first. Stegner Property Management is hereby authorized to commence re-leasing efforts, with or without an executed "agreement to re-rent" if such efforts are deemed necessary by Landlord in order to mitigate damages. Tenant agrees that the Re-Letting Fee is a liquidated damage amount agreed to by Tenant in consideration of among other things, Landlord agreeing not to charge Tenant the Landlord's actual re-letting damages. Tenant agrees that the Re-Letting Fee is not a Lease cancellation fee or a buy-out fee. Rather, Tenant agrees that the Re-Letting Fee is a liquidated amount covering only part of Landlord's damages, that is, Landlord's time, effort, and expense in finding and processing a replacement. Tenant acknowledges that Landlord's re-letting damages are uncertain and difficult to ascertain, particularly those relating to inconvenience, paperwork, advertising, showing the Premises, utilities for showing, checking prospects, office overhead, marketing costs, and locator-service fees. Tenant agrees that the Re-Letting Fee is due whether or not Landlord's re-letting attempts succeed. Tenant's agreement to pay the Re-Letting Fee, or Tenant's actual payment of the Re-Letting Fee shall not under any circumstances release Tenant from any liability to Landlord under this Lease Agreement for any other charges or amounts due under the Lease Agreement, including but not limited to, unpaid rent, future rent, utilities, cleaning charges, or any physical damage to the Premises, and Tenant shall at all times remain liable for said amounts or any other breaches of the Lease Agreement, and Landlord shall retain all remedies for Tenant's breaches and other non-compliance with the Lease Agreement. Resident shall not be released from liability on this Lease Agreement for any reason whatsoever unless specifically released by Landlord in writing.

9.2. Unauthorized occupants: No guest or invitee of Tenant shall stay at the Premises for more than seven (7) calendar days in any calendar month without written approval of Landlord. If any individual not listed on this

Lease Agreement as an occupant or Tenant stays at the Premises for more than the specified period, that individual is an unauthorized occupant.

9.3. Roommate Changes: Tenant agrees that Landlord approval is necessary PRIOR TO any roommate change and that execution of the Addendum to Add Replacement Tenant or the Addendum to Add Roommate as appropriate. Tenant agrees to pay a ONE HUNDRED FIFTY DOLLAR (\$150.00) roommate change fee. Tenant is solely responsible for finding a replacement roommate. The Vacating Tenant must find a substitute Tenant acceptable to all roommates and the Landlord, and must obtain such approval in writing. Prorated refunds of security deposits and last month's rent shall be settled among the Tenants.

10. **Pets:** Tenant covenants that NO pets will be kept inside Premises or on Premises by Tenant, or their guests, without the prior execution of a Pet Agreement and payment of a Pet Deposit. **In the event an unauthorized pet (whether "just visiting" or otherwise) is discovered at the Premises, upon written notice from Landlord, Tenant will have ten days to cure the violation or be subject to eviction.** Tenant will be charged an inspection fee of \$50.00 for each time the Landlord must visit the Premises to determine if Tenant has cured the violation and/or continues to remain in compliance with this Lease Agreement after providing Tenant with a written violation notice for an unauthorized pet. A pet violation is a material breach of this Lease Agreement.

A PET AGREEMENT HAS BEEN ☐ HAS NOT BEEN ☐ EXECUTED

11. **Right of entry:** In the event of an emergency or other situation requiring hasty response to secure or protect the Premises from damage or to mitigate damage already sustained, Landlord and those authorized by Landlord may enter without notice at any time such situation or circumstance should arise. Landlord will notify Tenant within 24 hours or as soon thereafter as practical under the circumstances that entry was made, by whom and the reason or circumstance necessitating entry and the action taken. In all other circumstances the Landlord has the right to enter upon the Premises for any reasonable purpose upon twenty-four (24) hours' notice which may be given in any form reasonably calculated to communicate it to Tenant. As used here "reasonable purpose" shall include but not be limited to entry to inspect for damage or to perform any repairs or improvements or to show the Premises to potential renters, investors or buyers. Such repairs or improvements may be carried out at any reasonable time without an appointment after Tenant is notified of the need for such work. And, a request by Tenant for any maintenance, repair or other service that requires entry shall relieve Landlord of the notice requirement with respect to entry by Landlord or those authorized or contracted by Landlord for purposes of addressing the Tenant's request. Notice may be given by phone, by leaving a message on voicemail or an answering machine, by delivery of written note, text, email or any other means reasonably believed to put Tenant on notice that entry will be made at the specified time. Landlord may charge an administrative fee of \$50 (Fifty dollars) if unable to enter Premises due to an unsecured pet. Leasing Agent: Tenant understands that Landlord usually will commence showing the Premises to prospective tenants 120 days before the expiration of the Lease Agreement term, but may show the Premises to prospective tenants, purchasers or lenders at any time. Landlord has the right to place a sign or signs and/or a lock box on the Premises at any time. Landlord may record the condition of the Premises in any form and with any data storage and retrieval device specifically including but in no way limited to photographs and video recordings or any other type of imaging, and all such recordings may be shared with the Owner of the Premises and may be used in any mediation or legal proceeding. Such recordings may include images of Tenants, occupants, guests or invitees that are incidental to the recording of the condition of the Premises, and Tenant agrees that no cause of action of any kind shall be based on Landlord's use of such incidental images of any Tenant, occupant, guest or invitee.

12. **No smoking:** No smoking of any kind or of any substance is permitted inside the Premises or garage or anywhere outside where it could be or is a bother to Tenant's neighbors. If any kind of smoke odor is present, Tenant is responsible for the cost of professional abatement, including but not limited to painting any walls, cleaning floors, ceiling, windows and special cleaning (or if necessary for abatement, replacement) of carpeting and window coverings.

- 13. Abandonment of personal property:** Any personal property left on the Premises after Tenant vacates said Premises shall be deemed abandoned. In the event of any default under this Lease Agreement, or if Tenant's personal property remains on the Premises after termination or expiration of this Lease Agreement, Landlord has the right to enter the Premises, remove all personal property at Tenant's expense and dispose of the personal property in any manner Landlord chooses, as permitted by law, including but not limited to disposal as rubbish, sale, or donation to any charitable organization. Tenant agrees that such, destruction, or disposition of any such personal property shall not be deemed a conversion of the property by Landlord or Landlord's agent. If personal property is sold, any monies received shall apply to storage and sales fees if any and then the rent and damages or any other costs, which may be due Landlord and Agent, with the remainder to Tenant.
- 14. Motor vehicles:** Tenant agrees that only one vehicle per licensed driver may be kept at the Premises. Tenant agrees that any abandoned, unlicensed, derelict, inoperable and/or wrongfully parked vehicles parked on the Premises shall not be kept at the Premises and may be towed off the Premises at the Tenant's expense by or at the direction of Landlord. Landlord may charge an administrative fee of \$50.00 per occurrence for unauthorized or abandoned vehicles requiring Landlord to give notice or arrange removal. Tenant further agrees not to store and/or park any, camper, boat, trailer or other similar recreational item, or commercial or public vehicles on the Premises without the written consent of Landlord in advance.
- 15. Pest control:** Tenant shall maintain the Premises in a clean and orderly condition to avoid attracting pests. Tenant shall within 24 hours of discovery report to Landlord any pest infestation, apparent infestation or suspected infestation.
- 15.1. Landlord shall be responsible for treatment/remediation of any pest infestation as required by law or that involves pests such as termites, carpenter ants or other pests that if such pests and their activity are not apparent to a reasonable person by reason of concealment within the structure itself; and
- 15.2. Landlord shall be responsible for reasonable measures to treat/remediate any pest infestation of which Landlord has notice or as otherwise may be required by law.
- 16. OTHER TENANT OBLIGATIONS:** Tenant agrees not to store or hang rugs, towels, wash, or store furniture, equipment, trash, miscellaneous junk or debris or other such items on railings, balconies, terraces, walkways or patios. Any such items deemed improperly stored or hung by the Landlord, or otherwise will be removed at the expense of the Tenant. Outdoor furniture and plants are acceptable. Swimming or other pools, swing sets, trampolines, hot tubs and waterbeds are not allowed on the Premises. Tenant agrees not to place any of these on the Premises unless, prior to occupancy, Tenant obtains the written consent of Landlord and provides to Landlord written proof of insurance acceptable to Landlord.
- 17. ADMINISTRATIVE FEES FOR VIOLATIONS:** Tenant acknowledges that Landlord or Landlord's agent incurs expense when a tenant must be notified of a lease violation and asked to correct it and that such additional expense may not be readily reduced to a specific dollar amount. The expense is due to the time spent notifying the tenant of the issue and in follow up inspection(s) to determine if the issue has been addressed or not. The parties acknowledge that the specific amount of the expense to Landlord / Landlord's agent is not readily reduced to a specific amount and that the administrative fees are intended to be liquidated damages for the time and other costs associated with the notices. The parties agree that the fees specified are a reasonable approximation of the actual expense to the Landlord / Agent in time, mileage and other difficult to specify costs.
- 17.1. Failure of Landlord to collect any fees due from Tenant at the time they are incurred shall not release the Tenant from liability for such fees.
- 18. Payment of Future Rent:** If Tenant is in default of any provision of this Agreement, then in addition to any other rights and remedies that Landlord may have, Landlord may at Landlord's sole discretion and option, either terminate this Lease, or re-enter and re-take possession of the Premises and terminate Tenants' right to possession without terminating the lease, and re-let the Premises for such terms and at such rentals as Landlord in Landlord's sole discretion may deem appropriate as mitigation of Landlord's damages and with the option to make alterations and

repairs to said Premises. Tenant shall be liable for the cost of all the alterations and repairs which are reasonably necessary to re-rent the Premises, and the Landlord's reletting expenses. If Landlord does not terminate this Agreement, upon re-letting, all rent and other sums received by Landlord from such re-letting, shall be applied, first to the payment of any monetary obligation due under the terms of this Agreement other than monthly rental installments, second, to the re-letting costs, third, to past due monthly rent installments, with the remainder, if any, to be held by the Landlord and applied as payments of future rents as the same become due and payable under this Agreement. No such re-entry or re-taking possession of the Premises by Landlord shall be construed as an election on the part of Landlord to terminate this Lease unless written notice of termination is given to Tenant, or unless a Court of competent jurisdiction finds the lease has been terminated.

**19. If Property Becomes Uninhabitable:** If for any reason the Premises become completely uninhabitable Landlord may but shall not be obligated to immediately terminate the Lease Agreement thereby releasing Landlord, Landlord's Agent and Tenant of all obligations and further performance. Regardless of the extent of damage to the Premises or any portion of the Premises, Landlord may also upon written notice immediately terminate this Lease Agreement, if in Landlord's sole and absolute discretion, any repairs necessitated by any event would be either impractical or dangerous, if Tenant continued to occupy the Premises. If the damage or casualty event is due to Tenant's or Tenant's occupants, guests or invitees' negligence or intentional conduct, the Rent shall not abate or prorate, and Tenant shall be liable to Landlord for any amounts due under this Lease Agreement, plus all damage caused by such negligent or intentional conduct.

**20. Death of Tenant:**

20.1. If any Tenant deceases during the term of this Lease Agreement any remaining Tenant(s) shall assume all Tenant obligations under the Lease Agreement as if the deceased had not been a party to the Lease Agreement. Any amount claimed by the deceased's estate for any contribution to the security deposit will be paid to the estate by any remaining Tenants, and neither Landlord nor Landlord's agent shall have any obligation to the estate for accounting or refund of the security deposit while the remaining Tenants continue to occupy the Premises.

20.2. If a Tenant deceases and there are no other Tenants, Landlord shall have the right to immediately terminate the Lease Agreement and to retake possession of the Premises. Landlord's expenses for any moving and/or storage costs for the deceased's personal property shall be an obligation of the deceased's estate and shall payable upon notice of the amount due. All Rent accrued until the time Landlord has actually regained possession shall also be an obligation of the estate.

**21. Sale of the Premises:** In the event that the Premises is sold, transferred or otherwise conveyed, Landlord will give the Tenant notice of such conveyance and will transfer all of Landlord's rights under this Lease Agreement to the new Landlord and/or Agent including prorated rents, last month's rent, (if any) and security deposits as required by law, and upon such transfer, Landlord and Landlord's agent shall be released from all further obligation or liability in connection with this Lease Agreement. The new Landlord will receive an accounting of all monies held or due and it shall be the new Landlord's responsibility to convey such accounting to Tenant. Upon such sale, Tenant agrees to look solely to the successor Landlord for satisfaction of all claims relating to Landlord's obligations hereunder, including for a return of any security deposit. Upon the transfer of title of the Premises to a subsequent owner, and subject to applicable Colorado law, Tenant agrees that Landlord and Landlord's Agent shall be released from any further liability.

**22. COVENANT TO ABIDE BY LAWS, RULES AND HOA REGULATIONS:**

22.1. Tenant shall abide by all laws, rules and regulations issued by any governmental body having jurisdiction over the Premises. **While on the Premises, Tenant shall not violate any code, ordinance, or statute or regulation promulgated by any government or government agency.**

22.2. Landlord is not responsible for any violation of the implied covenant of quiet enjoyment that is committed by a third party acting beyond the reasonable control of the Landlord. **Neither shall Tenant allow others to commit any such violations, nor shall Tenant cause, allow or maintain any public nuisance on the Premises. A copy may also be obtained from Stegner Property Management for a fee of \$100.00 which covers the cost of time and materials to make copies. The governing documents, including but not necessarily limited to, the Declaration of Covenants, Conditions and Restrictions, the Bylaws, the Rules and Regulations applicable to any condominium or owners' Association in which the Tenant becomes entitled to certain uses and privileges and subject to certain responsibilities as an Associate Member, are each expressly incorporated herein by reference. If Tenant exercises Tenant's statutory right to pay Tenant agrees to pay Landlord's attorney's fees, court costs and any other Landlord expenses or costs in addition to any other amounts due pursuant to the Lease and all other amounts set forth in the notice. ## REQUIRED INSURANCE ADDENDUM TO LEASE AGREEMENT

This Addendum is a part of the Lease Agreement. For the duration of the Lease Agreement, Tenant is required to maintain and provide the following minimum required insurance coverage:

- \$100,000 Limit of Liability for Lessee's legal liability for damage to the landlord's property for no less than the following causes of loss: fire, smoke, explosion, water damage, backup or overflow of sewer, drain or sump ("Required Insurance").

Tenant is required to furnish Stegner Property Management with evidence of Required Insurance prior to occupancy of leased premises, at the time of each lease renewal or extension, and at any other time during the tenancy upon request (see Lease). If at any time Tenant does not have Required Insurance, Tenant is in breach of the Lease Agreement.

Tenant may obtain Required Insurance from an insurance agent or insurance company of Tenant's choice, but if Tenant does not maintain Required Insurance, the insurance requirement of this Lease Agreement may be satisfied by Stegner Property Management by scheduling the Tenant's unit for coverage under the Landlord's Required Resident Liability insurance policy ("LRRL"). The coverage provided under the LRRL will provide the Required Insurance coverage listed above, and Tenant agrees to pay the cost of the coverage (5, below) when due and without demand as additional rent.

1. LRRL is designed to fulfill the insurance requirement of the Lease Agreement. The property Owner is the Insured under the LRRL. The Tenant is not the insured under the LRRL policy.
2. LRRL coverage is not personal liability insurance or renters insurance. Stegner Property Management makes no representation that LRRL covers the Tenant's additional living expenses or liability arising out of bodily injury or property damage to any third party. If Tenant requires any of these coverages, then Tenant should contact an insurance agent or insurance company of Tenant's choice.
3. Coverage under the LRRL policy may be more expensive than the cost of Required Insurance obtainable by Tenant's elsewhere. At any time, Tenant may contact an agent of their choice for insurance options to satisfy the Required Insurance under this Lease Agreement.
4. Licensed insurance agents may receive a commission on the LRRL policy.
5. The cost to the Tenant for the LRRL coverage is currently \$10.50 per month - Ten dollars and fifty cents (\$10.50) per month premium cost.

Scheduling under the LRRL policy is not mandatory and Tenant may purchase Required Insurance from an insurance agent or insurance company of Tenant's choice at any time and coverage under the LRRL policy will be terminated by Stegner Property Management.
