Planholders

**Ward 3 Recreation Various Projects
Addenda #1**

The following shall modify the Bid Documents:

1. The work scope at the Playground Re-Surfacing (Work Scope Item #4 in Construction Documents) is to remove all existing surfacing to concrete slab and replace with approximately 11,600 square feet of 3" thick new material to match existing color configuration. All removed material shall be disposed of by contractor in a legal manner.
2. Re: Section 321816 of the Project Manual. IPEMA Certification is not required.
