OVERVIEW

Your upcoming group event at Riverside Casino & Golf Resort has enabled online group hotel room booking. This will allow you to book your hotel room directly on the resort website at the group contracted room rate.

Please note, this is an added convenience for you as our guest, it is not in replace of the call center. You may also call 877-677-3456 and a representative would be happy to book you a room. If you plan on booking a room as an extension outside of the group dates mentioned above, please call the call center to book your room.

The below step-by-step instructions will walk you through how to book your hotel room directly on the website with a group code.

1. Visit www.riversidecasinoandresort.com and hover over the “Hotel” drop-down menu.
2. Highlight and click “Book a Room”.

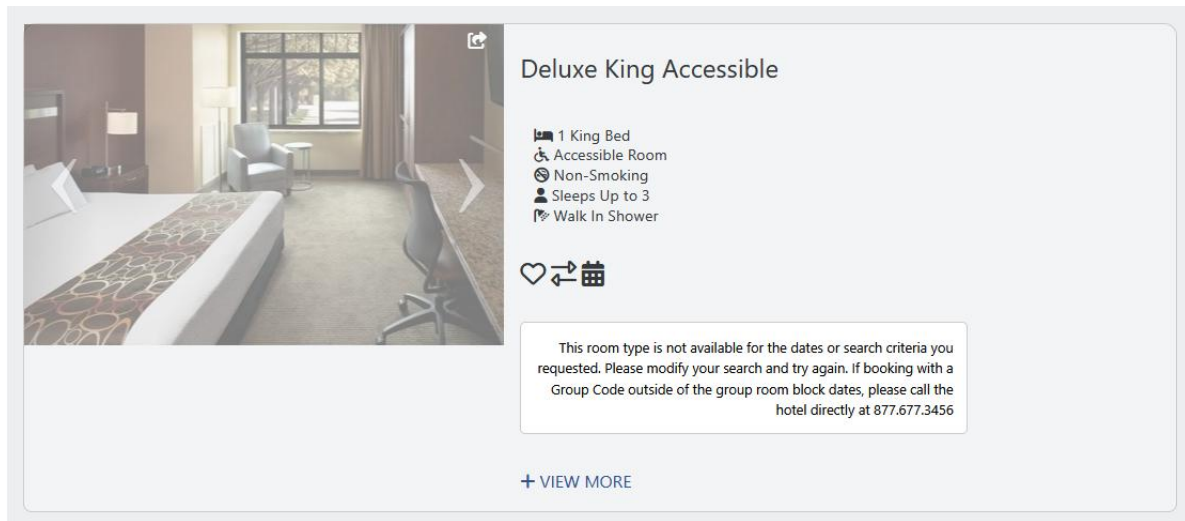

3. Select the dates you'd like to book and add the 6-digit Group Code in the “Group” box.

The image shows a booking search form with the following fields: Arrival Date (5/22/2026), Departure Date (5/24/2026), Adults (2), Children (0), and Group (1295EI). The Search button is highlighted with a red box. Below the form, there is a confirmation message: '✓ Group: 1295EI' and a note: 'Select your travel dates and details above then click Search to view rates and availability.' At the bottom, there are icons for Unit Results, Compare, Favorites, Grid, and List.

4. The room types and rates will display if they are available to book under your Group Code.

The image shows a room listing for 'Deluxe Two Queen'. On the left is a photo of the room with two queen beds. To the right of the photo, the room name 'Deluxe Two Queen' is displayed. Below the name are the amenities: 2 Queen Beds, Non-Smoking, Sleeps up to 4, and Glass Encased Shower. On the right side, the rate is shown as 'RATES AS LOW AS \$169.95 /day' with a '+ VIEW RATES' button. At the bottom, there are icons for a heart, a share icon, and a calendar, along with a '+ VIEW MORE' link.

Note: Rooms that aren't available will be greyed out and encourage you to call the hotel directly: 877-677-3456.

Group Code Confidentiality & Usage:

The unique group booking code provided by the Hotel ("Code") is for the exclusive use of individuals attending with the contracted Group. The Group agrees to take all reasonable steps to ensure the Code is not publicized, shared on social media, or distributed to non-invited parties. If the Hotel determines the Code has been leaked or misused, resulting in bookings outside the authorized group block, the Hotel reserves the right to deactivate the Code and/or charge the public rate for unauthorized rooms. The Hotel shall not be held responsible for rooms being booked outside of the Groups guest list.
