

Mashpee Congregational Church - Church Weddings

Mashpee Congregational Church (United Church of Christ) is a Christian church located in the heart of the Popponneset Marketplace just across from the Popponneset Inn. MCC is united in spirit, inspired by God's grace, and welcomes all as a church focused on celebrating significant events in people's lives. One of those being the celebration of couples sharing their marital vows with each other, family, and friends. We await the opportunity to help you plan the beginning of your sacred journey through life together.

A CHURCH WEDDING

A church wedding is not simply a civil ceremony in a beautiful setting...it is an act of worship held in a sanctuary that has been dedicated to God. Our church Pastor will be happy to work with you as you plan your own meaningful wedding ceremony and, with his approval, other clergy may assist in the service. Our Pastor will also provide wedding counseling sessions to help create a more personal atmosphere for your service.

MUSIC

Music enhances wedding ceremonies in some very special ways. Our Pastor and Music Director will be glad to work with you in choosing music that is appropriate and celebratory. If it is desired, they can also help in locating special vocalists and / or instrumentals for the service.

SEATING

The church will comfortably seat 110 guests.

I Corinthians 13

And now these three remain: faith, hope and love. But the greatest of these is love.

CANDLES

If you would like to include a "unity candle" to light during your ceremony, you are responsible for the purchase of the unity candle, tapers, and candle holders. These are easily found in card, party goods and candle shops.

FLOWERS

You may have as many flowers as you desire although you can also highlight the beautiful simplicity of our sanctuary with just a couple of arrangements. If you would like to have an aisle runner you would need to arrange it through your florist. (length necessary for our sanctuary aisle is 75 feet)

PHOTOGRAPHS

We ask that minimum flash pictures be taken during the wedding ceremony so that the flashes do not distract you and your guests. Video cameras and photography are welcome from the back of the sanctuary. Also, if interested, our church has the technical capability to record your wedding ceremony.

CHURCH FEES

To be discussed with pastor and church administration, based on the details of the service.

The church generally requests donations for our Pastor, custodian and for church building use for non-members. We can also arrange for use of our beautiful organ and secretarial assistance, if requested for printing wedding bulletins. Video recording may also be arranged with the church for a fee depending on specific needs and requirements.

MARRIAGE LICENSE

A marriage license should be brought to the rehearsal or to the church office at least three days prior to the wedding ceremony.

Matthew 19:6

**“So they are no longer two but one flesh.
What therefore God has joined together, let not man separate.”**

No matter who you are, or where you are on life’s journey, you are welcome here!
