AROUND THE ROOM

- Deborah asked if we were going to conduct a special officer election before June? I (Thomas) said that it still hasn't been presented to Father Stephen. The idea is that since all the present Officers will be leaving after this term expires in June, we move up the Officer election from June to March so we can have an overlap to train new Officers. I will discuss it with Father Stephen.
- ***We want to thank Gigi and Jim for hosting our meeting at their house. It was magical!!***
