

Catholic Columbarium at Sacred Heart *Memorials*

The columbarium features two memorial pedestals directly in front of the central cross. These offer families an opportunity to recognize deceased loved ones interred elsewhere in this sacred space.

Each pedestal features a large bronze plaque containing individual bronze memorial tabs. Each tab can hold up to three lines of 20 characters each for the memorial inscription. Refer to the [Columbarium Prices and Information link](#) on the main page for current pricing. The majority of the cost is tax deductible.

To purchase a memorial tab, complete the form which can be found under the [Memorial Tab Purchase Form](#) link. You may then bring the form to the church office along with your payment of cash or check. If you wish to purchase your memorial tab via credit card, please select the [Memorial Tab Payment](#) link on the main page.

If you have any questions or need more information, please contact the church office at (478) 923-0124 or email columbarium@sacredheartwr.com. You can also schedule an appointment to assist with purchasing your memorial tab.
