ABOUT CHARLEASE

Charlease Hatchett is a voice for the voiceless and a light in the storm. As a cancer conqueror, founder of the God Is Bigger Than... movement, and visionary behind the Connected Through Cancer Foundation, she equips, educates, and encourages others to stand in truth, walk in faith, and never fold under pressure.

Charlease's story is one of survival and surrender—an authentic journey of transformation that spans trauma, healing, advocacy, and bold ministry. Through her podcast Bigger Than: Rooted & Real, public speaking, and personal mentorship, she offers a space where people don't just feel seen—they feel safe.

Whether she's comforting a mother, counseling a survivor, or leading community outreach, Charlease shows up real, raw, and rooted in God.
