On The Heart of Your Pastor

Good morning and welcome! I pray this morning as we begin to dig into the word of God through the book of Galatians. I pray the introduction to this series has wet your appetite to understand more about the freedom from sin that is ours through a right relationship with the Father through Jesus Christ, the Son. There is so much that robs us of the liberty that is ours in Christ today. Such as, doctrinal fallacies, legalism in the church, the organization over the organism. My prayer is that as we go through this amazing book of God's word, He will illuminate the freedom that has been purchased for each of us through Christ. That our lives would be impacted by God's word like never before.

God Bless,
Pastor Barry
