On The Heart of Your Pastor:

Welcome, we are so glad you are worshipping with us here today. We are praying God will bless you for being a part of our worship of Him. I want to say thank you to those who have contributed to the renovation fund! Your contributions are allowing us to move forward. I encourage you to prayerfully consider how God might have you financially participate in this effort to improve His house. Check the thermometer located in this bulletin to see the current level of funding and the set goal.

**God Bless,
Pastor Barry**
