On The Heart of Your Pastor:

Good morning and welcome! Whether you are already a part of the family or visiting for the first time, we welcome you! I am so excited to get in the Word today as we continue our study through Galatians. Today as we turn the corner, we see the Apostle Paul's message transition. The apostle's angst and frustration with the hypocrisy of the Apostle Peter and the Gentile believers who were returning to a works mentality in the law, becomes passion for the grace of God. I wonder, where do we spend the most of our time? In angst and frustration over the sin of the unbelieving world? Or being passionate about the grace afforded us by our Heavenly Father? I pray you will worship the Lord today in celebration of the grace He has given us through His Son, Jesus Christ.

God Bless,
Pastor Barry
