On The Heart of Your Pastor:

Good morning and welcome! I pray you are ready to worship today. I am so encouraged by John and Don as they lead us in exalting God. I pray you are enjoying our study through the book of Galatians. I am hearing great feedback on how God is using this series of messages in the life of our congregation. I want to remind you of two specific ways to deepen your understanding as we go through this amazing letter in God's word. First, if you are not, you need to be utilizing the Pulpit Curriculum, a personalized study based on each of the messages. A second help is the devotions that post each Monday. I write each of these devotions. Not all, but most are related in some fashion to the study of Galatians. I encourage you to take advantage of each of these tools as we strive to understand the God we serve with greater knowledge and passion as we glorify Him.

God Bless,
Pastor Barry
