American Heritage Girls (AHG) and Trail Life (TL) USA FL-0613 Troops: Policies, Principles, and Partnering Agreements:

Corporate Agreement: *AHG and TLUSA signed a Memorandum of Ministry Alliance to support one another in their shared mission for Christ-centered spiritual character development of youth. While closely aligned, the adult and youth memberships of AHG and Trail Life USA are separate. A Trail Life USA Adult member who is not AHG Adult member cannot be substituted for an AHG adult member, including for 2-deep and supervision purposes.*

Local Agreement of Principles of Partnering: *The AHG FL-0613 and TL FL-0613 (sometimes called 0613 Troops) agree to support one another in a mutually beneficial relationship, as they separately minister to girls and boys, respectively, as God has called them to do. There are Biblical reasons for this distinctive focus for boys and girls. There are also Biblical reasons for interaction, including the development of a proper understanding, appreciation, and honor of the opposite sex. Our shared Christ-centered values can guide both experiences of interaction between the sexes and our normal ministry to boys and girls separately.*

Because of this understanding, the AHG and TL FL-0613 Troops agree to the following:

Meeting Policies:

- Opening Ceremonies will generally be a shared event each meeting night. While, each Troop will have separate meeting areas designated ahead of time for meeting space for each level of the respective Troop. All Leaders will be given a list of where each unit will be meeting. If this changes, it will be communicated to all leaders as appropriate.
- No boy or girl will leave the designated meeting space until an authorized adult comes to pick them up. (The youth's parent/guardian will be told where to pick up their child by the designated patrol/unit leader at the start of each meeting).
- All Activities will have designated separate boys' and girls' restrooms in which both troops are to follow the Buddy system when traveling to use.
- While we will celebrate and honor each other's accomplishments over the year, Court of awards/honors will be held separately and on different evenings to respect the importance for each Troop.
- When attending events not at the charter organization with both AHG and TLUSA Troops, youth are to report to their respected leaders in their Troop and remain with those leaders until released to authorized adults at end of the activity.

Specific Partnering Goals:

- Unless by mutual agreement, we will partner for joint opening ceremonies with the goal of completion within 15 minutes of meeting start. Typical order of events will be:
 - Prayer
 - Flag Ceremony with Pledge of Allegiance
 - AHG Oath, Creed and Mission Statement
 - TL Oath
 - Announcements (relevant to both troops)
- Hit the Trail (HTT) activities where there is mutual benefit to do jointly, will be collaborated on. For example, local HTT opportunities, such as museum visits and park hikes can be fun to do together. However, each troop is to be responsible to follow their own policies, including the requirement to have separate camp sites.
- Service activities may be collaborated on. For example, partnering for Operation Christmas Child is seen as typically desirable.

- Celebrations, such as Christmas parties, are outstanding to do jointly and will be pursued.

Note: Due to specific troop needs, regular meeting closing ceremonies will not be done jointly.

Camping Policies and Principles

- Each AHG Troop will typically camp by itself or with other AHG Troops, each TLUSA troop would typically camp by itself or with other TLUSA Troops. For purposes of this policy, “camping” will include tent camping, cabin camping, hammock camping, camping under the stars, and/or any other overnight activity.
- Interactive camping involving both 613 Troops will be encouraged as an occasional and purposefully coordinated experience. Joint camping with both AHG and TLUSA Troops must be designed and executed to advance specific Christian virtues of mutual value, such as honor, purity, respect, cooperation, service, and fellowship.
- Joint AHG-TLUSA camping must comply with all the following parameters:
 - There must be 1 registered adult for each AHG and TLUSA specifically always designated with oversight authority at the camp. They have the right to expel any person or Troop for violating camp rules.
 - Two-deep leadership, and girl/boy to adult ratios, must be always maintained, by Adult Members, for both troops.
- No one (adult, boy or girl) may camp who is not registered with AHG or TLUSA.
- Boys and Girls may engage in all activities together, with direct adult supervision, except as limited below. Boys and girls must:
 - Not be alone together and all should be observable by adults. They will function typically as teams without our Troops, patrols, etc.
 - Not touch each other in any inappropriate or questionable manner.
 - Not haze, harass, intimidate, stalk, objectify, entice, or tease each other. Boys and girls must treat each other with respect, compassion, and honor always.
 - Have separate and concealed bathroom and shower areas, or if only such area is available, then specific times for separate use will be scheduled and monitored by adult leaders.
 - Be housed/sleep in separate campsites, with their respective gender-specific Troops. Boys and girls must never share (or be in) the same tent, cabin, tarp, or other sleeping area, and must not be able to see each other from their respective sleeping quarters. Boys and girls must not enter the sleeping area (campsite) of the opposite sex but must not enter the sleeping area (campsite) of the opposite sex but must remain with their own Troops during all hours. Sleeping areas must be supervised by adults. No youth will sleep alone in tents or set up away from the rest of the Troop.
 - Must dress appropriately, in uniform or as otherwise determined by Troop leaders. Boys and girls must never dress or undress within view of each other. Generally, swimming is discouraged as a joint activity, unless closely monitored by adult leaders, but other water activities may be engaged in, such as canoeing or kayaking or water rescue skills.

AHG and Trailman Youth Policy

- Do not bring your child if they have had any fever in the last 24 hours. Child may also not attend if they have any of the following: excessive cough, excessive nasal drainage, sore throat, rash, diarrhea, discharge from eyes or inflammation, head lice, earache and/or open sores.
- Youth will wear their Class A uniform to Monday night meetings with closed toe shoes. Shorts/skirts for girls need to be fingertip length. Class B uniforms will be worn on field trips and hit the trails unless otherwise mentioned. Youth attending First Fridays do not need to wear a uniform.
- Youth are encouraged to use the restroom before AHG and Trail Life. We lose a lot of valuable time when we must stop and take kids in groups of three to the restroom.
- There will always be two deep leadership with proper child ratios. Youth below 11 years of age will travel in packs of 3, those older in packs of 2.
- Youth are not permitted to use cellphones or other electronics during troop time without an exception granted.
