

# Giant Maiden Grass

*(Miscanthus 'Giganteus')*

**Perennial Grass**

**8' - 12' Tall**

**6' - 10' Wide**

**Fast Growth**

**Full Sun**

**Water Needs:  
Moderate**

**Zones 3 - 9**

Giant Maiden Grass is a fast growing grass with wide foliage. The foliage will turn an orangish color in the fall. Giant Maiden Grass has white fan like plumes that start forming after summer. A grass choice for a privacy screen or to fill in a large space in the yard.
