

Saint Andrew

Anchored in Faith  Catholic Church and School

1. The Mass of Christian Burial

The Mass is centered on God, God's mercy, and the baptismal promise of eternal life. The liturgy of the Eucharist speaks of Christian hope and its fulfillment in the resurrection. The scriptures and music of the Mass reflect this spirit.

2. Parish Prayers at the Vigil for the Deceased

A short prayer service may be offered on the evening before the Mass of Christian Burial. During that time the priest or deacon from Saint Andrew will lead a brief prayer service and reflection. The family and those attending can share memories or stories about their loved one during this time.

3. Music

Liturgical music is a prayer form, and the hymns chosen for Mass should be known by the community. Our parish music director and liturgist will help you plan music for the Mass. The Church of Saint Andrew also arranges for the parish funeral choir and an accompanist to lead the music.

4. Flowers

Saint Andrew Church welcomes the donation of some flowers from the funeral to use for the weekend Masses.

5. Graves or Columbarium Niches

Arrangements for burials in Saint Andrew Parish Cemetery are made through Richard Eversman (763-258-6175) or Dan LeFebvre (763-262-0122).

6. Funeral Luncheon

A funeral luncheon may be served after the funeral consisting of hot dish, salad, dinner rolls, pickles. Desserts are furnished by parishioners.

7. Mass Stipends

We as Church, remember the dead in prayer. Many people request that Masses be offered for the intention of the person who has died. These requests should be brought to the parish office. Arrangements will be made to have Masses celebrated at Saint Andrew or some other place.
