May Family Bright Spot at RMHC

The Buckley Family arrived at RMH Chattanooga on February 1st, 2026 with their daughter in the NICU born at 23 weeks as a micro preemie. Their stay at RMH allowed them to be walking distance from their child and spend over 1,063 hours at the NICU to build bonding and attachment with their little one. Along with savings from lodging, they enjoyed meals from the RMH kitchen and Family room. The Buckley's created a bond with staff and reported "Thank you for everything! We wouldn't have been able to handle the 4 months without you guys! We are forever thankful and will be back to help volunteer soon!" The Buckley's have returned home with their child healthy and stable after over 125 days at RMH Chattanooga. We are so grateful to be able to support families like them in their time of need!
