Heineken 0.0 Gets Fruity 🍹

Heineken 0.0 is spicing up its non-alcoholic lineup with Cold Pressed Lime and Nectarine Juniper, delivering bold fruit flavors with 0.0% alcohol and just 64 calories. Designed for bars, BBQs, or beach days, the new flavors close the “flavor gap” in non-alc beers as more consumers embrace balanced, social drinking. The launch marks Heineken’s first venture into flavored non-alcoholic beers and reinforces its leadership in the growing category.
