THE "GOLDEN TIDE"

pendant is crafted from 18K gold, featuring a wave-inspired design adorned with diamonds. It captures the power and beauty of ocean tides, blending dynamism with luxury.

LIMITED EDITION

"GOLDEN FLOW"

set features a pendant, earrings, and a ring, crafted from 18K gold. Inspired by the fluidity and energy of ocean waves, the design combines graceful curves with the brilliance of diamonds. This set embodies sophistication, harmony, and natural beauty, making it a perfect addition to an elegant look.

The image features a dark navy blue background. In the four corners, there are decorative geometric patterns made of thin, light gold lines. These patterns consist of multiple parallel lines that converge towards the corners, creating a series of nested 'V' shapes. Two vertical gold lines run down the center of the page, flanking the central text.
