LIFE IS A JOURNEY

Let us help you share the story.

FROM OUR FAMILY TO YOURS.

For over 140 years, Peebles Funeral Home has served the families of Fayette County and the surrounding communities with honor, compassion, and personal care. While many things have changed over the years, one thing has remained the same—***our commitment to serving families*** during one of life's most difficult moments.

Peebles Funeral Home exists because our team has been called to serve—called by God and called by a heartfelt desire to care for others. We believe we have been specifically called into the funeral profession to provide guidance, support, and comfort to families after the loss of a loved one. Serving families is not simply what we do; it is who we are.

We understand that planning a funeral can feel overwhelming. In the midst of grief and emotion, families are faced with many important decisions in a short period of time. Our commitment is to walk side by side with you through every step of the process with compassion, patience, and clarity.

Our staff is here to help you create a meaningful and personalized tribute that honors your loved one's life and story. Whether your wishes include burial or cremation, a traditional service or a unique celebration of life, we are honored to help coordinate every detail. From transportation and preparation to visitation, ceremony planning, memorial personalization, and final disposition, we handle these responsibilities with dignity, respect, and attention to detail so your family can focus on grieving, healing, and saying goodbye.

If your loved one is entrusted to us for cremation, they never leave our care. At Peebles Funeral Home, we believe funeral service is about more than logistics—it is about emotional support, meaningful remembrance, and bringing family and friends together in a time when connection matters most. Every member of our team is empowered and expected to do whatever it takes to serve your family well.

This Quick Reference Guide is designed to help you better understand the goods, services, and options available to your family so you can make informed and confident decisions. You may choose only the items and services you desire. The funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements make it necessary to purchase any items you did not specifically request, the reason will be clearly explained in writing on the statement describing the funeral goods and services selected.

Thank you for allowing us to serve your family and for placing your trust in us during such an important time.

Sincerely,

Michael & Jennifer Tilghman

PEEBLES SIGNATURE SERVICES

*Unlike other funeral homes who consider these services as extras, we consider them as **SIGNATURE SERVICES**. We believe every family deserves them and therefore we offer these enhancements at no additional charge.*

PERSONALLY BRINGING YOUR LOVED ONE HOME

It is very important for our team to serve you completely. In doing so, we are honored to bring your loved one home once the cremation process has been completed. We will coordinate this service with the family.

FAMILY FOLLOW-UP SERVICE

We continue caring for your family long after the services are complete. Over the next few weeks, one of our staff associates will be checking on you to see if there is anything we can do to continue serving you and your family.

ONLINE MEMORIAL TRIBUTE AND CONDOLENCES

We will place the obituary notice, the photo and the slideshow on our website to allow your family and friends to read the notice and post their condolences for your family. The memorial tribute will remain on our website for years and years to come.

FLORAL DELIVERY

Following the service, we can deliver the floral arrangements to your home if you need us to assist with that. We have even delivered some arrangements to the local nursing home or assisted living facility. Please note that we try to limit this to a 25 mile radius.

CARDS FOR FLORAL TRIBUTES

We have requested that every florist make a duplicate card for each arrangement they bring to the funeral home. Our purpose in requesting this is to be able to leave one card on each arrangement during the service so that you and the guests can see who the arrangement is from, and the duplicate card is placed in an envelope to make it easier for you when you sit down to write thank you notes to each person.

SAFE AND SECURE ACCOUNTABILITY

Your loved one is kept in a secure, controlled environment and is continuously monitored while never leaving our care. We utilize an advanced detailed tracking system to ensure accurate accountability along every step of the way.

A TRIBUTE TO OUR VETERANS

*A few times throughout the year as you drive along U.S. Highway 64 between Somerville and Oakland, you will notice **the most beautiful visual tribute to the Veterans** who are buried at the **Fayette County Memorial Park Cemetery**. Peebles Funeral Home proudly displays American flags at the gravesites of men and women who served in the Armed Forces. The staff takes pride in honoring those who have served our country and who chose to sacrifice so much for the freedoms that we all enjoy today. We utilize our local Boy Scout troops to help place the flags and they receive credit for their service as well.*

A FUNERAL SERVICE

A funeral is for the living. It provides the setting and opportunity to help families celebrate life the way they lived it. The funeral service is a way to bring caring people together, to lend support, and to help each other through this difficult time. Our funeral directors tend to a number of ceremonial and administrative details to help you in planning *a celebration of life*.

Funerals are an important part of the healing process after someone we love has died.

- *They help us come to terms with the reality of death*
- *They are a time to remember*
- *They are a time for community and mutual support*
- *They are a time to say goodbye*
- *They are a time of transition from life before death to life after death*

SAYING GOODBYE

CREMATION CHOICES

Choosing cremation offers several choices for service and memorialization. The following considerations will help you determine the type of event that would be most meaningful to you, your family, and friends.

- *Do you prefer to offer friends and extended family the opportunity to say goodbye and offer their love and support with a public viewing or memorial?*
- *Do you prefer to conduct ceremonial services at a church, or place of worship?*
- *If family and friends are coming from a great distance, do you prefer to arrange a memorial service following the cremation?*

Whatever your preference, our staff will work one-on-one with you to create an appropriate tribute. To help simplify the planning and arrangement process, the offerings described on the following pages represent the most popular choices of our families who choose cremation.

Following the service and the cremation process, there are several options for choosing a peaceful, final resting place, including:

HOME — Keeping in your private residence

WILBERT VAULTS FOR TRADITIONAL FUNERAL SERVICES

WHAT IS A BURIAL VAULT?

A burial vault is a lined and sealed outer receptacle that houses the casket. It protects the casket from the weight of the earth and heavy maintenance equipment that will pass over the grave. It also helps resist water and preserves the beauty of the cemetery or memorial park by preventing the ground from settling.

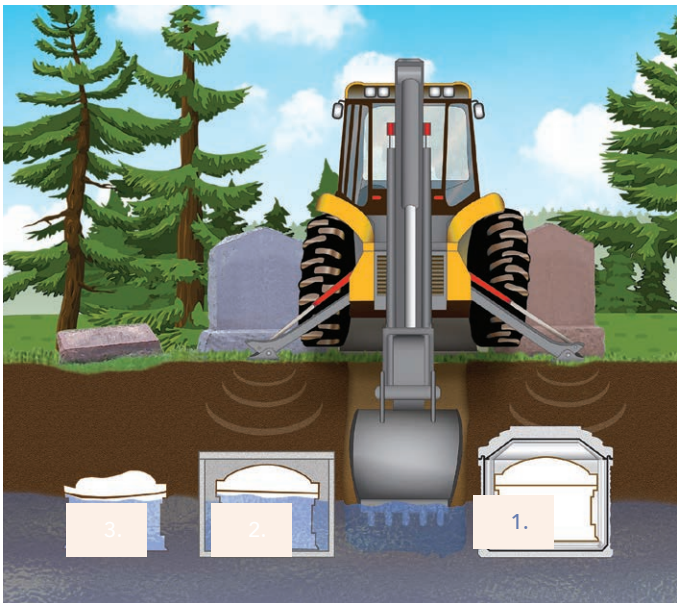

If the outer burial container is not lined and sealed, it is not a burial vault. An outer burial container, or gravebox, is an unlined concrete box with drainage holes to allow ground water to escape.

Burial vaults are constructed of high-strength concrete and reinforced with a metal or plastic liner. They provide the most lasting protection.

SELECTING A BURIAL VAULT

As you select the vault for your loved one, you should consider several factors - the vault's material, design and personalization options. The vault's construction is a major consideration.

Wilbert burial vaults are offered in three levels of protection, PREMIUM, STANDARD, and BASIC. See examples below for details.

1. Standard lined and sealed outer burial vault.
2. Unlined outer burial container.
3. No outer burial vault.

ADDITIONAL VAULT PURCHASE INFORMATION

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or burial vault will satisfy these requirements.

If you are purchasing a vault from **Peebles Funeral Home**, we do not claim that the vault is air and/or watertight. Please refer to the manufacturer's warranty for the merchandise you purchased.

The **Wilbert** vault company has a **delivery, set, and seal fee of $495** for each vault, Monday - Friday.

WILBERT VAULTS FOR TRADITIONAL FUNERAL SERVICES

THE WILBERT WAY – GRAVESIDE SERVICES

The personalization of a vault allows for reflection on a cherished memory at the graveside service. As shown above, meaningful choices are available to personalize the carapace *(cover)* on many vaults to help you prepare a final, fitting tribute at the cemetery.

WILBERT CUSTOM LEGACY SERIES

The Wilbert Custom Legacy Series program offers the opportunity to choose cherished images for a special memorial collage to honor a loved one.

PERSONALIZATION PLUS PROGRAM

The Personalization Plus program allows personalization of a vault with a special chosen image.

WILBERT LEGACY SERIES PRINTS
