A FUNERAL PLANNING GUIDE

LIFE IS A JOURNEY

*Let us help you share the story.*

## FROM OUR FAMILY TO YOURS.

---

For over 140 years, Peebles Funeral Home has served the families and community of Fayette County and the surrounding areas. Being family owned may not be important in all businesses, but when a death occurs in your family, you want to know there are people who genuinely care. Not all funeral homes today are family owned. *That is why we felt it was important to tell you that we still are.*

We realize that planning a funeral is probably one of the hardest tasks that one might ever undertake. You are full of so many emotions and yet you are faced with having to make some very important decisions. These decisions come at a fast pace, and the process can feel overwhelming at times. Our commitment to you and your family is that we will guide you as we work through this emotional process together. Our staff is here to help you plan a unique personal service that honors your loved one. We want to help you make this a special occasion to be shared with family and friends and one that will be remembered by all who love your family. Attention to detail is very important and we want you to know that we promise to be attentive to all things. Every staff associate is expected and empowered to do anything it takes to serve your family well.

This package of information can seem like a lot to work through. It is designed to provide you with all the knowledge you need to make informed decisions. The goods and services that follow are those we can provide to our families. You may choose only the items you desire. The funeral arrangements that you select will include a charge for our basic services and overhead. If legal or other requirements mean you must purchase any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

We appreciate your confidence and thank you for trusting us.

Sincerely,

*Michael & Jennifer Tilghman*

# PEEBLES SIGNATURE SERVICES

Unlike other funeral homes who consider these services as extras, we consider them as **SIGNATURE SERVICES**. We believe every family deserves them and therefore we offer these enhancements at no additional charge.

## PERSONALLY BRINGING YOUR LOVED ONE HOME

It is very important for our team to serve you completely. In doing so, we are honored to bring your loved one home once the cremation process has been completed. We will coordinate this service with the family.

## FAMILY FOLLOW-UP SERVICE

We continue caring for your family long after the services are complete. Over the next few weeks, one of our staff associates will be checking on you to see if there is anything we can do to continue serving you and your family.

## ONLINE MEMORIAL TRIBUTE AND CONDOLENCES

We will place the obituary notice, the photo and the slideshow on our website to allow your family and friends to read the notice and post their condolences for your family. The memorial tribute will remain on our website for years and years to come.

## FLORAL DELIVERY

Following the service, we can deliver the floral arrangements to your home if you need us to assist with that. We have even delivered some arrangements to the local nursing home or assisted living facility. Please note that we try to limit this to a 25 mile radius.

## CARDS FOR FLORAL TRIBUTES

We have requested that every florist make a duplicate card for each arrangement they bring to the funeral home. Our purpose in requesting this is to be able to leave one card on each arrangement during the service so that you and the guests can see who the arrangement is from, and the duplicate card is placed in an envelope to make it easier for you when you sit down to write thank you notes to each person.

## GRIEF SUPPORT ON YOUR SMARTPHONE

You can download our complimentary custom Peebles grief support app on your smart phone. This app will help you work through the stages of grief. It is full of great information and encouragement. Search for CAREFIRSTAPP in the Apple app store or Google Play store. Enter the code: 38068. *Feel free to share this with all of your family and friends.*

## A TRIBUTE TO OUR VETERANS

*A few times throughout the year as you drive along U.S. Highway 64 between Somerville and Oakland, you will notice the most beautiful visual tribute to the Veterans who are buried at the Fayette County Memorial Park Cemetery. Peebles Funeral Home proudly displays American flags at the gravesites of men and women who served in the Armed Forces. The staff takes pride in honoring those who have served our country and who chose to sacrifice so much for the freedoms that we all enjoy today. We utilize our local Boy Scout troops to help place the flags and they receive credit for their service as well.*

## A FUNERAL SERVICE

*A funeral is for the living.* It provides the setting and opportunity to help families celebrate life the way they lived it. The funeral service is a way to bring caring people together, to lend support, and to help each other through this difficult time. Our funeral directors tend to a number of ceremonial and administrative details to help you in planning *a celebration of life*.

*Funerals are an important part of the healing process after someone we love has died.*

- They help us come to terms with the reality of death
- They are a time to remember
- They are a time for community and mutual support
- They are a time to say goodbye
- They are a time of transition from life before death to life after death

*a celebration of life*

Funeral expenses are classified into two categories — 1. Our charges, and 2. Cash advance expenses paid to third parties, such as the cemeteries, hairdressers, ministers and death certificates. As a convenience to you, we are willing to administer payment to any third party on your behalf. Confirmed provisions for **payment in full** are required at the conclusion of the arrangement conference. Payment for all charges can be made using any of the options described below:

- *A personal check, cash or any of the major credit cards.*
- *Prefunded funeral policy arranged through our funeral home.*
- *Prefunded funeral policy arranged through another funeral home as long as the policy can be verified and a copy of the policy is approved.*
- *Assignment of benefits from an assignable, in-force life insurance policy in the amount of the funeral charges only. Some fees may apply.*
- *If needed, we can refer you to a local bank or lending institution for financing options.*

**“What we have once enjoyed we can never lose.  
All that we love deeply becomes a part of us.”**

– **Helen Keller**

## SAYING GOODBYE

*It's never easy, but saying goodbye is a natural and healthy part of the grieving process.*

At our funeral home, this can take place in a number of ways. From a more traditional ceremony joined by family and friends, to a private, meaningful service with your immediate family. Regardless of how you want to say goodbye, our professional staff is ready to serve.

## SHARING THE STORY

A caring parent, a lifelong friend – every life tells a story. Our team will help you share that story in a unique and appropriate way. We believe in celebrating the life of the individual by recognizing how they touched the lives of others. *This is the story that we all have to share.*

## CREMATION CHOICES

Choosing cremation offers several choices for service and memorialization. The following considerations will help you determine the type of event that would be most meaningful to you, your family, and friends.

- *Do you prefer to offer friends and extended family the opportunity to say goodbye and offer their love and support with a public viewing or memorial?*
- *Do you prefer to conduct ceremonial services at a church, or place of worship?*
- *If family and friends are coming from a great distance, do you prefer to arrange a memorial service following the cremation?*

Whatever your preference, our staff will work one-on-one with you to create an appropriate tribute. To help simplify the planning and arrangement process, the offerings described on the following pages represent the most popular choices of our families who choose cremation.

## CHOOSING A FINAL RESTING PLACE

Following the service and the cremation process, there are several options for choosing a peaceful, final resting place, including:

*HOME – Keeping in your private residence*

*NICHE – Designated place in a church or mausoleum*

*BURIAL – Traditional placement in a cemetery*

*SCATTERING – Spread in a special location*

# WILBERT VAULTS FOR TRADITIONAL FUNERAL SERVICES

## THE WILBERT WAY – GRAVESIDE SERVICES

The burial vault is usually set at the graveside for a brief service before interment. After the service, the cover will be placed over the base and sealed, and the grave will be backfilled, compacted, and then seeded or sodded.

## PERSONALIZATION CHOICES

The personalization of a vault allows for reflection on a cherished memory at the graveside service. As shown above, meaningful choices are available to personalize the carapace (cover) on many vaults to help you prepare a final, fitting tribute at the cemetery.

## WILBERT CUSTOM LEGACY SERIES

The Wilbert Custom Legacy Series program offers the opportunity to choose cherished images for a special memorial collage to honor a loved one.

## PERSONALIZATION PLUS PROGRAM

The Personalization Plus program allows personalization of a vault with a special chosen image.

## WILBERT LEGACY SERIES PRINTS

Wilbert Legacy Series prints offers a unique method of personalization that is applied to the top of selected vault covers.

## LIFE REFLECTIONS APPLIQUÉ PRINTS

A unique adhesion process applies special words or a defining image to the top of a burial vault.

# WILBERT VAULTS FOR TRADITIONAL FUNERAL SERVICES

## WHAT IS A BURIAL VAULT?

A burial vault is a lined and sealed outer receptacle that houses the casket. It protects the casket from the weight of the earth and heavy maintenance equipment that will pass over the grave. It also helps resist water and preserves the beauty of the cemetery or memorial park by preventing the ground from settling.

If the outer burial container is not lined and sealed, it is not a burial vault. An outer burial container, or gravebox, is an unlined concrete box with drainage holes to allow ground water to escape.

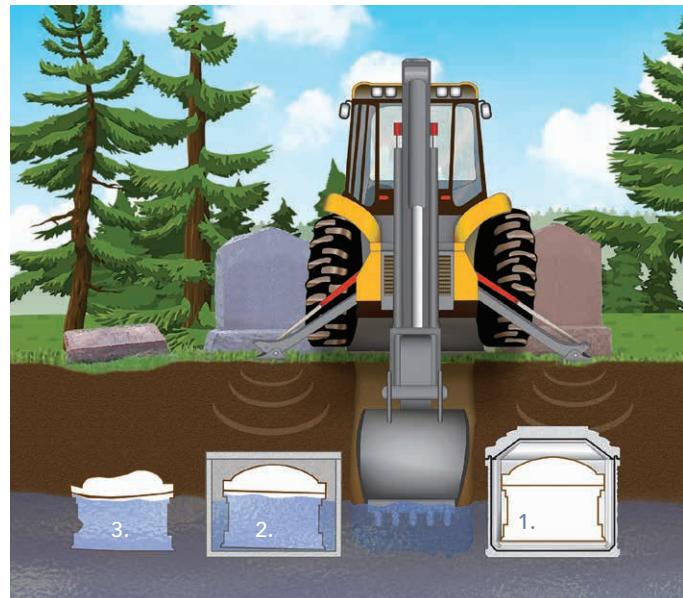

Burial vaults are constructed of high-strength concrete and reinforced with a metal or plastic liner. They provide the most lasting protection.

## SELECTING A BURIAL VAULT

As you select the vault for your loved one, you should consider several factors - the vault's material, design and personalization options. The vault's construction is a major consideration.

Wilbert burial vaults are offered in three levels of protection, PREMIUM, STANDARD, and BASIC. See examples below for details.

*Wilbert*<sup>®</sup>

1. Standard lined and sealed outer burial vault.
2. Unlined outer burial container.
3. No outer burial vault.
